Danny was so pleased with the poem that Cathie Stanish of Ontario, Canada, sent in that he has picked out a super special gift and it's on it's way to her now.

DANNY BONADUCE

Danny Bonaduce is so sweet,
I know one day we'll have to meet.
Danny and I were made for each other,
We could pass for sister and brother.
Peaceful wishes fill my mind,
A place in his heart I hope to find.

A beautiful candle hand-picked by Michael is on it's way to Sharon Gordon of Detroit, Michigan for the poem she sent in.

FAVORITE JACKSON

As I go to bed each night,
On my walls I see a great sight.
When I wake up feeling refreshed and
just right,
I see again this wonderful sight.
By now to me it's based on a regular
cycle,
Who am I referring to?
Nobody but my favorite Jackson,
Michael!

David's latest album is on its way to Ellen Coughlin in return for the super poem she sent in to David. He really loved it!

HEY MAGIC MAN

Hey Magic Man, Where are you?
I see you now illuminated by Loves' light
But illusions soon fade and I am left
dissatisfied.
Hey Magic Man, Where are you?
Come make yourself known to me.
Hold me tight and never let me go,
and I'll know you're for real.
Hey Magic Man, Where are you?
Don't disappear from sight,
Please let me get to know you better.
Hey Magic Man, Where are you?
Let me look inside your thoughts and
see,
Are you thoughtful and loving. Are you
the one for me?
Hey D.B.C. I love you!
