Hi there!

We hope the picture of David Bowie opposite didn't confuse you too much. Although we have never included David (I mean Bowie, of course) in our mag before, he is a genuine Superstar and, now that he has announced that he won't be doing any more live gigs in the future and, even, that he may leave the pop scene altogether, we wanted to get him in at least once.

He may well change his mind, of course, and it wouldn't be for the first time. After all change is what the music world is all about.

And it's what your mag is all about too so that's why you'll see a new title at the top of our front cover this month — MUSIC WORLD.

It also means that, in future, we intend to include every exciting new face or Superstar in our magazine at any time — which doesn't mean that we're going to stop featuring any of your faves.

The main reason for the change is that your letters have told us so many times that you'd like to know MORE about the Superstars of the MUSIC WORLD, so our title from now on is going to be MUSIC WORLD and SUPERSTAR with all the good pics and features you have liked in the past plus some new exciting ones in every issue.

See you next month in the new MUSIC WORLD and SUPERSTAR.
