

producers of *Here's Lucy* are dying to get **DONNY OSMOND** back on the show again. He caused a sensation last time he guested (but doesn't Donny always?). We think it would be super if Donny became a regular on Lucy's show.

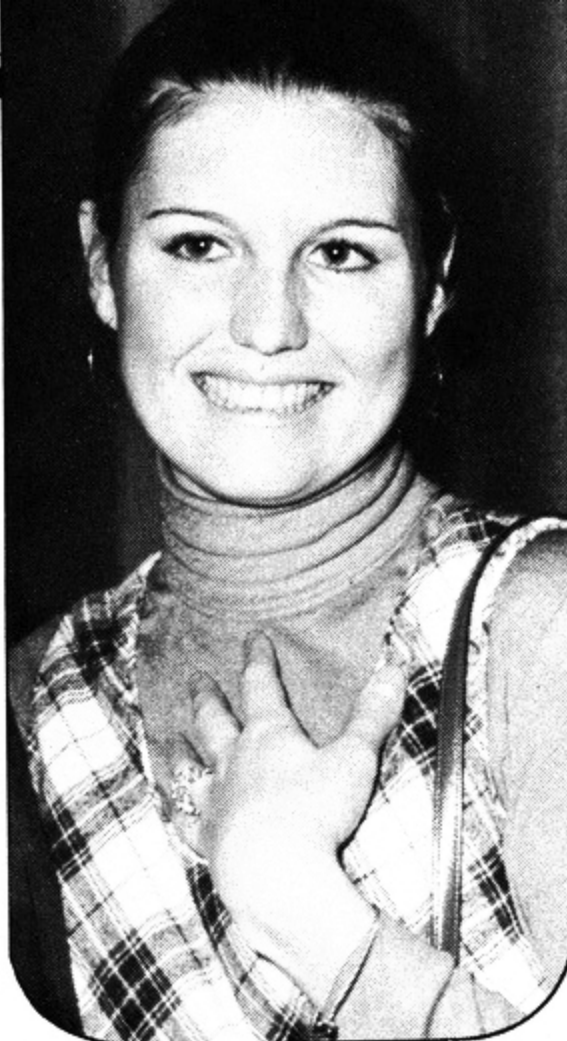

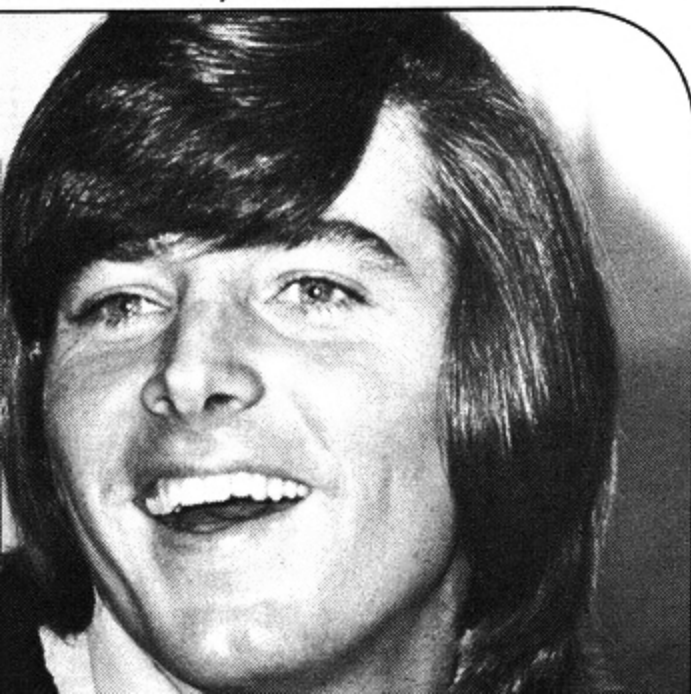

Is **MARY TYLER MOORE** going to get married on her show next season? CBS has gotten tons of fan mail from viewers who want just that. And it seems the viewers' choice for a perfect mate for Mary is her frequent guest star — gorgeous **MICHAEL TOLAN!**

How does this grab you? **ROB REINER** of *All in the Family* and his wife **PENNY** were married two years ago in his parent's backyard. The couple stood before a justice of the peace and recited their vows to each other. Rob and Penny had written their own ceremony.

Is one of our favorite faves — **BOBBY SHERMAN** — going to be back on TV next fall with a weekly variety show? Wouldn't it be super for Bobby to have a show of his own again? But this time, Bobby would be doing what he does best — singing!

We've also heard reports that one of the networks would love to snare **JOHN** and **YOKO LENNON** for a weekly variety thing. But, of course, until the Lennons settle their Will fave Bobby Sherman be back on the tube next season with a weekly musical variety show? That's the rumor in Hollywood.

Will this season be the last for ABC's long-running hit series, *Room 222*? Seems like **KAREN VALENTINE**, **LLOYD HAYNES** and **DENISE NICHOLAS** just aren't generating as much noise as they used to. Of course, no matter what happens, **DAVID JOLLIFE** and **HESHIMU** are certain to go far.
