

TIGER BEAT QUESTIONS

and ANSWERS

Q I heard that Donny Osmond is quitting the group. Tell me it isn't true.

A Okay, we'll tell you it isn't true. But only because for the millionth time it really isn't!!

Q On the front cover of Tiger Beat April '73 issue there is a pic of Marie Osmond and it looks like she is wearing a retainer. Does she? If so does she wear it all the time?

A In answer to your first question, yes Marie is wearing a retainer on the cover picture. She wears it all the time except when she is performing.

DAVID

Q I read in the April '73 edition of your magazine where you mentioned something about David Cassidy staying with the Partridge Family for just one more year. What happens after that? Will the show be cancelled or will D.C. be replaced? Please hurry with your answer.

A Yes David will be leaving the show at the end of next season. As far as whether the show will be cancelled or David will be replaced, that will depend on the ratings and what the producers decide. And by the way this September Partridge is moving to Saturday nights at 8:00!

Radames

Q I recently saw a segment of the Waltons and it was super! It was about Jewish refugees. There was a boy who starred in the show and his name was Radames Pera. Could you tell me about him? His birthday, his hobbies, age and where to write him? Thanks.

A Radames was born Sept. 14th, 1960 which makes him almost 13. His hobbies include model building, motorcycle riding, reading and photography. Radames is also a semi-regular on "Kung Fu" which airs Thursday nights. Write to Radames in care of Tiger Beat!
