

SONGFALL

BLOCKBUSTER

by Mike Chapman &
Nicky Chinn

You better beware,
You better take care,
You better watch out,
If you've got long black hair,
He'll come from behind,
You'll go out of your mind,
You better not go,
You never know what you'll find.

You look in his eyes,
Don't be surprised
If you don't know what's going on
Behind his disguise.
Nobody knows, where Buster goes,
He'll steal your woman out
From under your nose.

Does anyone know the way,
Did we hear someone say,
We just haven't got a clue what to
do.

Does anyone know the way,
There's got to be a way,
To Block Buster.

The cops are out,
They're running about,
Don't know if they'll ever be
Able to Block Buster out,
He's got to be caught,
He's got to be taught,
'Cos he's more evil
Than anyone ever thought.

SWEET

LONG-HAIRED LOVER FROM LIVERPOOL

by Jimmy Osmond

I'll be your long-haired lover from Liverpool,
And I'll do anything you say,
I'll be your clown or your puppet or your April fool,
If you'll be my summer Daisy from L.A.
I'll be your Leprechaun and sit upon an old toadstool
I'll serenade you till I'm old and gray,
I'll be your long-haired lover from Liverpool
You'll be my sunshine Daisy from L.A.
I'll be your lovely daisy on a mountain side
There were lots of other flowers too,
But all the other flowers hung their heads and cried,
Because the loveliest of all of them was you.
Since you were evidently the exception to the rule,
I picked you quickly then I ran away,
'Cause I was your long-haired lover from Liverpool,
You were my sunshine Daisy from L.A.
I'll be your long-haired lover from Liverpool,
And I'll do anything you ask,
I'll be your clown or your puppet or your April fool,
Cut my hair or even wear a mask,
I'll be your Valentine and you'll be mine,
Things'll be cool,
And we'll be gone together ev'ry day,
I'll be your long-haired lover from Liverpool,
You'll be my sunshine Daisy from L.A.

GOODBYE TO LOVE CARPENTERS

by John Bettis

I'll say goodbye to love,
No-one cared if I should live or die,
Time and time again the chance for
love has passed me by,
and all I know of love is how to live
without it.
So I've made up my mind I must
live my life alone.
And tho' it's not the easy way,
I guess I've always known I'd say
God be my only friend,
From this day love is forgotten I'll go
on as best I can

Fortune as it falls,
There may come a time when I will
see that I've been wrong
But for now this is my song.
And it's goodbye to love,
I'll say goodbye to love
There are no tomorrows for this
heart of mine.
Surely time will lose these bitter
mem'ries,
And I'll find that there is someone to
believe in and to live for,
Something I could live for.
All the years of useless search have
fin'ly reached an end,
Loneliness and empty days will be
my only friend.
From this day love is forgotten I'll go
on as best I can,
Fortune as it falls,
There may come a time when I will
see that I've been wrong,
But for now this is my song.
What lies in the future is a myst'ry to
us all
No-one can predict the wheel of
fortune as it falls,
There may come a time when I will
see that I've been wrong,
But for now this is my song.

I AM A CLOWN

by Tony Romeo

See the funny little clown,
See the puppet on a string,
Wind him up and he will sing,
Give him candy he will dance,
But be certain not to feel if his
funny face is real.
Step right up and see him folks,
Couldn't you die at all his jokes,
Couldn't you cry at all his tricks,
He'll come up within a fix,
But be certain not to stray,
He will steal your heart away.
I am a clown, I am a clown,
You'll always see me smile,
You'll never see me frown,
Sometimes my scenes are good,
Sometimes they're bad,
Not funny
He ha, funny sad.
I am a clown, look at the clown,
clown.
Always the laughing face whenever
you're around.
Always the same routine

I never change.
I am a strange. Sometimes I think
the world is a circus town
Sometimes I feel I belong in a side
show.
That man on the flying trapeze
he ain't never comin' down.
He knows what I know,
If you look inside,
If I didn't hide you might decide
you don't want me.
I am a clown, that's why I'm a clown.
Just like the fool on the hill,
Beggin' to come down.
I want to live again, I want to feel,
Tell me you love me, make me real.
