

DEAR CAROL

Q. Why did Sonny and Cher name their daughter Chastity? S.K.—Chicago, Ill.

A. That's a good question. The only reason they've ever given is because she was born just after their first movie was released and the movie was called "Chastity." So you can say she was named after a movie!

DAVID CASSIDY

Q. This is urgent! Is it true that David Cassidy had a heart attack and had to slow down? R.G.—N.M.B., Fla.

A. No, it isn't true. David has never had any physical trouble with his heart.

Q. My father said that the Beatles didn't write "Yesterday." I say they did. Could you tell me who is right? L.O.—Kokomo, Ind.

A. You are right. "Yesterday" is a Lennon-McCartney composition.

Q. I would like to know if it's true that Sonny Bono was married before and has a daughter named Christi? B.F.—Mesquite, Tex.

A. Yep, it's true. (Wow, I'm getting more true rumors than usual this month!)

Q. Is it true that Susan Dey of The Partridge Family is engaged? R.A.—Bronx, N.Y.

A. No, Susan is not engaged. She has been dating Dale McRaven lately, but they are not engaged or married—no matter what else you may have heard!

30/FLIP

Q. My friend says Paul Revere is married and has a daughter. I say he's not. Who's right? A.R.—Rocky Mount, N.C.

A. Well, your friend is closest. Paul is married and he and his wife Sharon have two adopted children, a son and a daughter.

Q. When David Cassidy sings a song it's mostly about a girl. Does this mean that he sings it about his girl friend? L.L.—Nashua, N.H.

A. For one thing David doesn't have a steady girl friend. For another thing most of his songs are written by other people and not David. And for a third thing—David likes to sing about girls!

Q. Is it true that Dennis Provisor has left the Grassroots? R.L.—Montg., Ala.

A. Yes, it's true. Dennis has left to pursue a solo career.

Q. Can you answer some questions about Bobby Sherman's parents? What are their names? Do they have any other children? Were they ever in show business? E.L.—Sweden, Ky.

A. Here goes—Bobby's parents are Robert and Juanita Sherman (Bobby was named after his father) and they have one other child, a daughter who is married. And neither of them was ever in show business.

Q. Does Donny Osmond have a steady girl friend? J.G.—Little Ferry, N.J.

A. No, he doesn't.

Q. Is it true that Donny Osmond loves Eve Plumb? If this is true I will kill myself! S.H.—Naurioo, Ala.

A. No, it's not true! Don't kill yourself! Donny and Eve worked together on an episode of *Here's Lucy*, but they are not in love.

Q. We have an old album called "The Dimension Dolls," featuring The Cookies, Little Eva and Carole King. Is this the Carole King who did the album "Tapestry"? C&J—E. Rutherford, N.J.

A. Yes, it's the same girl!

Q. Are Del Russel and Kurt Russell related? N.B.—New Orleans, La.

A. No.

Q. Is it true that in the middle of this season Michael Gray will replace David on The Partridge Family because of some personal problems of David's? I hope not. D.W.—Forestdale, R.I.

A. No, it's not true. They have no plans to replace David. And Michael has a role in *The Little People*.

Q. I saw the article you did on POW-MIA bracelets and I have a few questions. What is the \$2.50 or \$3.00 donation for? What does VIVA and POW-MIA stand for? Thanks heaps. B.N.—Addison, Ill.

A. VIVA is Victory In Vietnam Inc., POW is Prisoner Of War, MIA is Missing In Action, and the money goes toward efforts to get the prisoners in Vietnam released and sent home.
