SEND YOUR QUESTIONS TO: DEAR CAROL, FLIP MAGAZINE, 405 PARK AVENUE, NEW YORK, N.Y. 10022

Q. I couldn't believe my ears when my cousin told me that Tito Jackson is married and Michael has left the group. Please tell me if it's true. D.C.—Wilson, Ark.

A. It's half right—Tito is married, but neither he nor Michael nor anyone else has left the group.

Q. Is it true that the Osmonds are planning to sell their ranch in Utah? R.V.—Pgh., Penna.

A. No, it's not true. They love their Utah home and have no intentions of selling it.

Q. Why is it that Pete and Geoffrey spelled their last names differently? Weren't they brothers? J.H.—Ridley Park, Pa.

A. Yes, they were brothers, but Geoffrey Deuel kept the original spelling of their last name while the late Pete Deuel preferred to simplify the spelling a bit.

Q. Can you give me a little info on Mick Jagger? Is he married and does he have any children? R.P.—Phoenix, Ariz.

A. Yes, Mick and his wife Bianca have one child.

Q. I saw the Jackson Five in Houston and during the concert Jackie, Michael and Marlon were teasing Jermaine about his girlfriend being in the audience. Jermaine said none of the girls in the audience were his girlfriend because his wife wasn't there. I would like to know if Jermaine or any of the J-5 are married. If not, why did he mention having a wife? F.M.—Nederland, Tex.

A. You're just going to have to learn to tell when your favs are joking. The only member of the J-5 that's married is Tito. Jermaine was teasing. He's not married and he doesn't have a steady girlfriend.

Q. Could you please tell me the date when Sonny and Cher Bono were married and also the date their little girl was born? A.F.—Fern Creek, Ky.

A. Certainly—Sonny and Cher eloped and were married on October 27, 1964. Their daughter Chastity was born March 4, 1969.

Q. Can you tell me if John Davidson is married? B.N.—Phoenix, Ariz.

A. Yes, sexy John is married.

Q. I was absolutely crazy about David Cassidy until I heard that he is starring in a movie completely nude! Please tell me if this is true. T.R.—N.Y., N.Y.

A. No, it's not true. He's not starring in any movie, yet, and especially not a nude one.

Q. I heard that Eddie Haskell of "Leave It To Beaver" is Alice Cooper, the rock singer. Is it true? L.G.K.—Baltimore, Md.

A. This seems to be a pretty strong rumor around the country. Alice has not yet revealed his true identity but my spies assure me he's not Eddie Haskell.

Q. Is it true that David Cassidy grew a mustache to copy Bobby Sherman? M.B.—El Campo, Tex.

A. No David didn't grow a mustache and no, he wouldn't do anything just to copy Bobby.

Q. I read somewhere that one of the Osmonds has blond hair and that he has to dye it so he won't look out of place. If this is true, who is it? Y.P.—Pittsburgh, Pa.

A. It isn't true. The Osmonds all have naturally dark hair. What may have confused you is that in the Osmonds' cartoon TV series Jimmy is a blond—but that's only on the series.

Q. When the J-5 were on "American Bandstand" Michael said that the J-5 and the Osmonds were going to have a basketball game. I would like to know who won. S.W.—Dallas, Tex.

A. Nobody won yet. They haven't found time in both their busy schedules to play the game.
