

TO GET MARRIED!

The Girl!

The Place!

The cute and cuddly couple waiting in their seats for the preview to begin were smiling at each other and sipping their drinks. Outside they had stood hand-in-hand with secretive grins on their faces. What was behind the young man's grin? Only David Cassidy knows for sure, and he still isn't talking. But his actions with pretty Jan Freeman, his date night night, spoke louder than words.

Is David ready to announce his marriage plans? We wouldn't be surprised because David has changed quite a bit in the last few months. We believe it may be due to two big reasons.

First, there was that interview David gave to an underground paper. He shocked many people with his outspokenness about sex and drugs. Then there is Susan Dey's open romance with an older, divorced man.

Before his infamous interview, David played up his "Keith Partridge" image whenever he was in public. The only trouble with that was that David is really five years older than the teenager he portrays on *The Partridge Family* and it must have been a big drag to pretend otherwise.

When you are as rich and famous as David and propositioned as often as he is, it's no fun to have to pretend that you are a teenager, and pure at that. A man's early 20's are his fun years and David was wasting his behind a false image. Perhaps that's why he opened up to "Rolling Stone," to make a different audience aware of the real David Cassidy instead of the
