

The secret of teaching yourself music

It's just organized common sense, says this 70-year-old home-study school. Their word-and-picture instructions take the mystery out of learning the piano, guitar, or any of 8 other instruments.

It may seem odd at first—the idea of teaching yourself music. You might think you need an expensive private teacher to instruct you—and to tell you when you make a mistake.

But the fact is, you don't. Thousands have learned music with the lessons we give by mail. So can you.

The secret lies in the step-by-step way our lessons teach you. Starting from scratch, they show you with simple words and pictures exactly what to do. You learn to play the right way—by note, from sheet music. Without gimmicks.

But how do you know you're doing it right? Easy. A lot of the tunes you'll practice first are simple songs you've heard many times. Since you know how they're supposed to sound, you can tell when you've "got them right."

By the time you go on to more advanced pieces, you'll be able to tell if your notes and timing are right, even without having heard the songs. Before too long, you'll be playing whatever kind of music you like. Popular. Folk. Classical. Dance songs.

For more information about this convenient, economical way to learn music, mail the coupon. We'll send you our free booklet, "Be Your Own Music Teacher," and a free Piano "Note-Finder." No obligation. The U.S. SCHOOL OF MUSIC. A Home Study School since 1898.

his set. He has fired all of the Ding-a-lings (those lovely ladies who cuddled and showcased Dean). In exchange, he has welcomed back the *GOLDDIGGERS*. He also panned several others of cast and crew and is taking on a new look. Some say he is still mad at *JEANNE MARTIN*, other quip, "*CATHY* is very jealous," still others say it was the poor ratings. Aaaahhh, the legend lives on, and on and on!

Plagued with illness, the *Ironside* set shut down, again. Earlier, it was *DON MITCHELL*, now *RAYMOND BURR* has suffered a relapse of malaria which has all of the executives at UI taking shots, hoping that they won't catch it, too! Word is that Burr will continue to suffer relapses as one can not be completely cured of this tropical disease. P.S.: He is recuperating at his Tropical Island hideaway in Tahiti!

GRUFF, GRUFF: wasn't that something about the run-in *JOANNE WOODWARD* had with *GEORGE C. SCOTT*. But she tamed him quickly, and without her hubby *PAUL NEWMAN*, who happens to be busy at the newly named Burbank Studio (formerly Warner Brothers). George, incidentally, hasn't changed, he's just as cranky as ever, but a great actor. Why he dislikes so many people, none of us will know! If ever a man needed a New Year's resolution and new image, it's George C.

Is it true what the voices are whispering about that accordion pleat millionaire and his girlfriend? Somewhere, behind the palms and ferns. Pardon the pun!

Is *FLIP WILSON* flipping? Why not ask the little old peacock, because rumor has it, they have had some mighty big prob-

lems keeping it a secret. Seems it's the pressure of the business!

POW! POW! The word battle between *CARROLL O'CONNOR* and *LUCY BALL* over *All In The Family* is something else, with Lucy panning the show despite the critics. Face to face with Carroll, they tugged it out in the hallways of CBS and left everyone gasping, MY GOD! The hallways are still shaking from the yelling, with Lucy having won the verbal battle. Some say it's because Carroll is such a gentlemen, others shake their heads NOPE!

Who's sneaking away for a face lift? Why Hollywood's favorite scrub woman and it ain't *JULIE ANDREWS*. She'll be in dark glasses for a couple of weeks, but will look great, so her doctor told us!

Golden boy swimmer *MARK SPITZ* nodded NEY at the offer to window dress a movie with none other than *BOB REDFORD*, claiming, "When I make a movie, I want to be my own star, not just a window dressing." Meanwhile, he'll blade it away in commercials with *TUESDAY WELD* holding his hand. Speaking of lovely Tuesday, she's hotter than ever in this town, and look for her to snag an Oscar nomination.

Is *DAVID CASSIDY* married? Well, one woman called us, claiming to be his secret wife. We called David, who quipped, "Consider it a rumor." He didn't say yes, and he didn't say no, but the young lady claims they were wed in Reno just a couple of weeks ago. P.S.: She wouldn't give us her name, but said, "David will kill me if he finds out I called and tipped you off." Sure hope not, she has a lovely voice! Meanwhile, we'll all keep guessing.

Whoopee! Whoopee! *BOB HOPE, JIMMY DURANTE*
