money or publicity. Basically, I'm not opposed to nudity, so I figured, 'Why not.' I never realized that it would shock people as much as it did. It wasn't a pornographic picture. I was also ill-advised by a fellow who is no longer with me. Anyway, I'm very sorry I did it, and I won't do it again."

"Apart from your singing and TV, do you want to do anything else?"

"I'd like to do something completely different. I love doing what I'm doing now, but I don't think I'm using my full potential. I'd like to do a film. Apart from that though, I'd also like to sing more of my own songs, but they're really behind in all my stuff. Things I recorded a month ago won't be out till January."

"What do you want to do apart from work?"

"I'd really love to see the world. I also own 100 acres in Hawaii and hope to settle down there one day. Actually, I'd like to farm my land. I'd like to have some cattle, horses, and even sheep. I love animals. I've got two dogs at the moment and I'm getting some cats."

"Can you remember anything very unpleasant happening to you?"

"When I was a kid, I had an eye muscle that was malfunctioning. The operation I had on it was a bit traumatic although, a success."

"What do you think of those two girls who jumped into the Thames to try to reach your yacht?"

"I feel sorry for girls like them."

"What do you consider your first big break?"

"That was probably the Broadway production, 'Fig Leaves are Falling' which, by the way, was a flop, but it gave me the chance I needed."

"How long do you think this adoration will last?"

"Who knows. I'm living for today and it's a marvelous day."

David smiled in the direction of his fans. Only those with binoculars could have seen the expression on his face, but a squeal started up and reverberated once again across the Thames. THE END

gets on so well with animals? How she gets on so well with the birds and bees? How she talks to animals and they seem to respond to her?

Well, Doris recently confided her secret to a British journalist who was visiting.

In all seriousness and with that marvelous attitude and love for life that only someone like Doris Day could have, she said, "I'm pretty sure I'm really a reincarnated bird." Doris was serious.

She went on to talk about a frequent visitor who put her wise to the situation, "I have a little hummingbird," she said, "who comes here to see me right here in
