

PARTRIDGE FAMILY FAN CLUB

58 Parker Street, London WC2B 5QB, Fan Club Secretary, Susie Miller

Hello there!

I'm delighted to say that you've won a lot of battles during the last couple of months, and there are only a few anti-Partridge bastions still standing at the time I'm writing this. I'm hoping that, by the time you're **READING** it, even those will be on their way to being demolished!

Meanwhile, congratulations to those of you whose letters have done the trick with Granada, Yorkshire and Tyne Tees Television, and with Westward TV as well!! I knew you'd do it in the end.

I mean, even the most switched-off business man must **START** to wonder who the Partridge Family are as he slits open the ten thousand and twelfth letter about them with his weary paper-knife! There comes a time in every man's life when it's **EASIER** to buy the programme than to carry on explaining to all these fans why you're not showing it!!

So, all in all, things are looking good for Partridge people in the North of England. So far, Granada (running neck and neck with Westward Television) have taken the prize up there by booking a whole year's supply of Partridge shows, going from the very first episode right up to number 49!!

Good news for Londoners, too . . . London Weekend have taken another series, so they're not letting you down. I think they've realised now that everything you told them about the show and about David Cassidy was absolutely right!!

I know all this so-called 'good news' must be torture if you're a devoted fan of the Partridges and your region has **NOT** yet seen sense. My one note of cheer for you must be that even these Partridge-less deserts will be much more likely to think again as they see all these other companies putting your show on the screen. After all, the men at the top know very well that no television company shows a programme just for fun . . . They show it because there's a big demand and the programme is a guaranteed success. (Which is what **YOU'VE** probably been trying to drum into their thick skulls for months!)

If you've already written before — well, ignore the fact and try again. After all, it might have got lost in the post. And if you **HAVEN'T** written before, where have you been all your life?? To make it even easier for you, here are the addresses you are likely to need:

If you live in Southern England in any area where the PF is not being shown, write to: Southern Television Ltd., Northam, Southampton SO9 4YQ. If you're in the Midlands, the address you need is: ATV Television, Bridge Street, Birmingham B1 2JP. All Scottish fans should write to: Scottish Television Ltd., Hope Street, Glasgow C2, while viewers in Wales and the Bristol area should contact: Harlech Television Ltd., Bath Road, Bristol.

Susie
