Dear Sharon,

I'm so in love with David Cassidy it's terrible! I probably have everything ever printed on him, but one thing I know I don't have is a picture of him from Love Posters #2! Is it still available?

Don't wait a second longer! Turn to page 00 and find out how this super book can be yours!

I pray that Tiger Beat Spectacular will always be around. It's the best teen magazine ever... #1 in my book... & I pray that as long as there are teens around there will always be a TBS!

MORE ON SUSAN

I'd love to see more things on Susan Dey. She is so cute and adorable and I love to look at her pix and read the stories on her. Hope to see more of her in the coming issues!

BRADYS ALWAYS

I think the Bradys are really super great. I love watching the show and I'm especially in love with Mike. Wow! My mom thinks that Barry is really groovy looking and my little sister likes Chris. All I can say is, what a family!

HE'S THE BEST

Of all the faves there ever were, I like David Cassidy the best. No matter what anyone says about him or prints about him it can't take the love away that I feel for him in my

heart. As far as I'm concerned, he's the best!

Dear Sharon,

A girl friend of mine has this super picture book of the Osmonds. There's pix of them on tour, in concert and at home. What's it called? Can I get one?

Hurry Hurry,
Neenah, Wis.

Dear Hurry Hurry,

What you saw was the Osmond Photo Memories and all these super pix can be yours if you'll just turn to page 52 and send in the order blank.

MOST TERRIFIC?

I don't see how anyone could think that Donny Osmond and David Cassidy are the best and cutest boys in the world. As far as I'm concerned, Bill Mumy is the cutest and the most terrific person in the whole wide world!!

OSMONDS ARE TOPS

I just got finished reading some letters answered in TBS. The girls say they are getting tired of reading about the Osmonds. They say there should be more on David C. and the J-5. Man!! Oh man!! Haven't they heard? The Osmonds are the top rock group in the country!

DON'T GET IDEAS!

In the August issue, a girl named Liz Hertlein said that Bobby Sherman was ten times better than Michael Gray. Well I've got something to say about that. She may think this, but I know that Michael Gray is ten million times better than Bobby! You can keep your Bobby, but don't get any wrong ideas about him being better than Michael Gray!

HE'S MINE

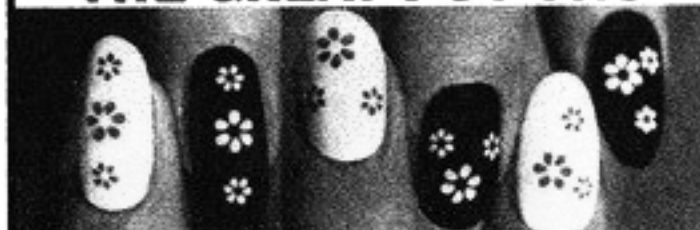

This letter is directed to Tracy Reed, of Ogden, Utah, who said in the August issue of TBS that she's in love with Jimmy Osmond. I shouldn't pick on her, but I'm 14 years old and in love with little Jimmy myself! Sorry, but you can't have him. HE'S MINE!!

A BIT OF ADVICE

What I'm about to say is not supposed to put anybody down. It's just a bit of advice. I like Maureen McCormick lots and I bet she's really sweet, but I wish she'd keep her hair out of her eyes. She's a real pretty girl and her hair is hiding her true beauty. I hope what I've said doesn't hurt her. So please, Maureen, brush
