

# DAVID: "ARE YOU UNDER HIS SPELL?"

If you are under David's spell, count yourself in with thousands of other girls who just can't seem to resist the charming Mr. Cassidy! Some of the letters T.B.

SPECTACULAR receives about David describe his magic spell much better than we could! Here are just a few of them:

## Lisa Knopf: "HE MAKES ME SMILE!"

"Just *thinking* about David makes all my sad feelings evaporate into thin air! When I've had a really bad day with everything going wrong, I whisper his name out loud and suddenly the corners of my mouth begin to turn up!

"Of course Friday nights are the best, 'coz that's when I get to *see* David and laugh at all his funny antics on the Partridge show! In between, I've got a bedroom full of his posters to look at, and these make me happy too!

"One time David did a concert in my town, and I got a seat in the third row, right in the center. You could have spotted me easily—I was the girl with the biggest smile in the whole place!"

## Geri Rapp: "HIS GROOVY LOOKS!"

"Was there ever a boy created who is as perfect looking as David Cassidy? If so, I haven't seen him yet, and neither have any of my friends!

"His eyes, for instance: So deep and sensitive, they show every one of his feelings from happiness to sadness! And lashes like his have never been duplicated on anybody else! I also love his happy grin, the slightly crooked teeth that make him even more perfect, and his gorgeous, shiny hair. Wow, would I love to run my fingers through it!

"The way he moves sends me too—so graceful yet masculine! David isn't too short and he's not too tall either! He's just right, in every way I can think of!"
