

DUSTY SPRINGFIELD is A-OK!

home, singer **DUSTY SPRINGFIELD** is back to normal at last, recovering from a back injury.

Another **BEATLE**, **JOHN LENNON** and his wife, **YOKO** want to live in America permanently but U.S. Immigration service people still keep saying "NO."

Have you really listened to the words in **RICK NELSON**'s song "Garden Party"? It's really a song about how he felt when he gave a concert at Madison Square Garden. Very Interesting!

ELVIS PRESLEY just mentioned the other day that way back in

JOHN LENNON is unhappy—why?

1960, when he was stationed in Germany in the Army, the government officials uncovered a plot by some far-out people to kidnap him! We're awfully glad they didn't succeed!

You probably saw **DAVID CASSIDY** on the **BOB HOPE SPECIAL**, but did you know that **DAVID** agreed to do the **HOPE** special if **MR. HOPE** would come back and appear on **DAVID**'s special. They decided that turn about was fair play!

ELTON JOHN is one of **DAVID CASSIDY**'s latest and closest friends. They have been working very hard on songs for **DAVID**'s most recent albums. Judging from the way they sound, **DAVID** couldn't have picked a better buddy.

That's it for now, see you next time!
