

DAVID CASSIDY

I take my favorite girl for moonlight walks on the beach so I can point out that "Those stars are shining brightly because they're smiling at us—together."

RICK SPRINGFIELD

I may be dancing with my special girl when I say softly into her ear, "I really don't need music to dance with you—you're a beautiful song by yourself!"

MICHAEL GRAY

"Just whispering your name I feel a rush of indescribable warmth rush through me; and I know you were meant for only me!"
