Dear FaVE,

I heard on the news the other night that Bobby Sherman got married last year. Please answer.

Patty Niziolek

New Brunswick, New Jersey

Dear Patty,

As this goes to press, we have received no official notice on Bobby's marriage to anyone. Bobby is a good friend of FaVE's and he deeply loves his fans so if and when he does marry, he won't hide it at all!

Dear FaVE,

I just adore Sonny and Cher. I have been writing to them but I'm not sure they get my letters. Where can I write them? Also, what was Cher's last name before she was married?

Margie Luther

Sparta, Wisconsin

Dear Margie,

FaVE happens to be fans of this talented couple, too. Cher's maiden name was LaPierre. You can write to them at 8903 Sunset Boulevard, Hollywood, California 90069.

Dear FaVE,

I really love Mark Hamill. Where can I write to him?

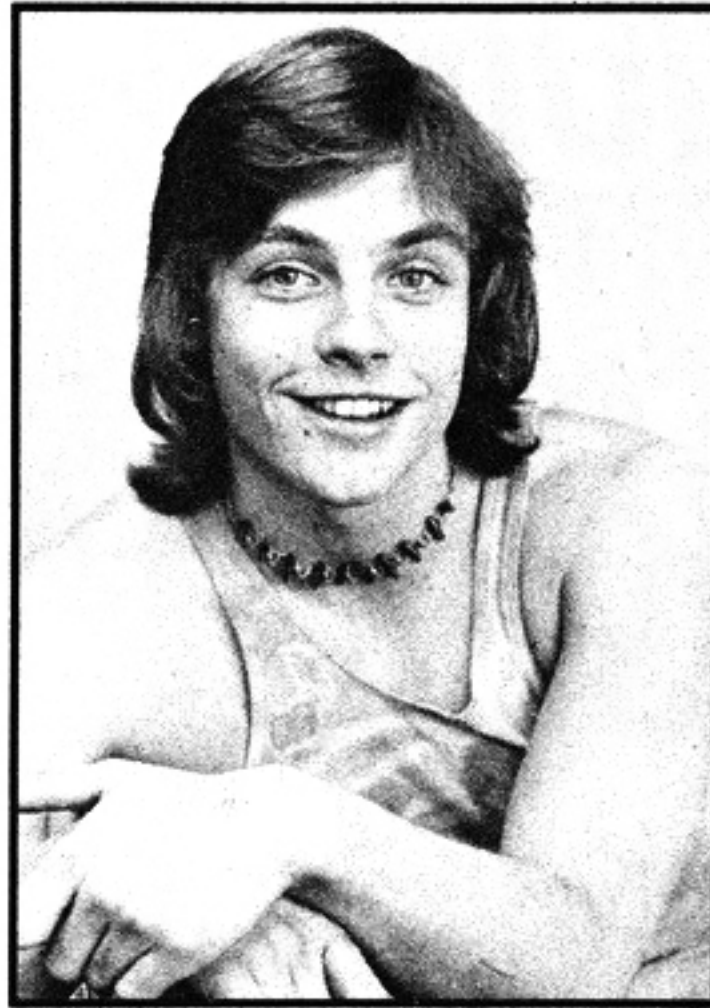

Dorothy Moran

Bayport, Long Island

Dear Dorothy,

We happen to think Mark is terrific, too. Have you been watching him in the television program, "General Hospital"? He's really great on it. Write to Mark at 8732 Sunset

Boulevard, Los Angeles, California 90069.

Dear FaVE,

I've heard plenty of rumors that Eve Plumb and Donny Osmond are going steady. Please inform us truthfully.

Tony R.

Anaheim, California

Dear Tony,

Although they really admire each other, Donny and Eve are just friends! But boy, if they did, what a super looking couple they would make!

Dear FaVE,

Does Mrs. Jackson ever go with the J-5 on their tours?

A.M.W.

Houston, Texas

Dear A.M.W.,

Yes, whenever she can, Mrs. Jackson goes on her sons' tours. And as she says, "I enjoy every minute of it—from beginning to end."

Dear FaVE,

Why are all magazines slowly closing Bobby Sherman out? He is not finished! In fact, he is on the verge of a whole new career.

Susan Brown

Ft. Worth, Texas

Dear Susan,

Wait just a minute! The only reasons we can think of why other magazines might not be printing stories of Bobby is because they might be having as much trouble as we've had getting him to stop long enough from his busy schedule for a big, juicy interview! This dynamic young man is very busy and there

is no reason to believe he's finished at all!

Dear FaVE,

In your October issue of FaVE there was an article called "A Letter from David." In that article there was a picture of David Cassidy with a baby girl. My friend says it is his daughter. I have to know!

Linda Scaffidi

Philadelphia, Pennsylvania

Dear Linda,

The little girl is a young fan who came to see David one day and our photographer was quick to capture those tender moments on film. We thought they were terrific and showed perfectly the kind of young man David is with children—wonderful!

Dear FaVE,

Can you tell me what Chris Stone's full name is? I think he's one of the best actors in show business.

Marsha Korne

Denver, Colorado

Dear Marsha,

We'd be glad to share our information on this guy—his real full name is Thomas Bourasa. If you'd like to write to him directly just send your letters to 9056 Santa Monica Boulevard, Suite 201, Los Angeles, California 90069.

Dear FaVE,

Could you clear up some confusion for me? Does Merrill or Donny sing lead for the group?

Nancy

New York, N.Y.

Dear Nancy,

Merrill usually sings the lead for the group. Of course, Donny is singing the lead on his singles like "Sweet and Innocent" and "Puppy Love." Does that erase your confusion for you?
