RICKYS' TUNE

Are you sleeping my baby?
Just close your eyes and
let me run away
Now don't you cry
I am leaving my sweet baby
I've been in love with one
far away
I can't live a lie

I've got something inside
me
You know I can't hide
And each day since I left
her
She's been on my mind

So take care of yourself
If I forever decide
He's the best friend I had
I guess this is goodbye

Are you weeping my baby?
I let you down but I just
can not stay
I can't live a lie
Now I'm leaving my sweet
baby
I've got my ticket it won't
pass me by
I can't live a lie
