

ROCK ME

You may call me a rollin' stone
I'm a free born man and I stand alone
I come lookin' for a little satisfaction
I don't drive no Cadillac
And all I've got's hangin' on my back
But I do believe in physical attraction
I can warm your coldest night
I'll make everything alright

If you'll ooo rock me baby
Let me feel that beat
I said ooo rock me baby

I was twelve when I left home
Ever since I've been on my own
I come lookin' for a little recreation
Guess I'll never settle down
It's always been just a one more town
Why I lived from coast to coast across
the nation
I can't promise I'll be true
But I'll see what I can do

If you'll ooo rock me baby
Let me feel that beat
I said ooo rock me baby

Come on and rock me
Come on and shock me
Rock me I'm rolling
Come on and squeeze me
You sure can tease me
All right now get down
Right down to my feet
I said ooo rock me baby
Hold me oh so tight
I said ooo rock me baby
Rock me thru the night

You better hold me while you can
Or you're gonna lose your midnigh
man

Now come and rock me
Rock me
