

Please tell me how old Gary Glitter is. I keep hearing so many different ages for him I'm totally confused!

Marion McDonald—
Westcliff-on-Sea, Essex
Gary is twenty-eight years old and his birthday is on May 8 so he'll be twenty-nine very soon!

I think Three Dog Night are a great group. How can I get in touch with them?

Margot Kent—
Wakefield, Yorks
We suggest you write to them in the States c/o Dore Nelson, P.O. Box 1077, Beverley Hills, California 90213, USA.

Please tell me how tall Donny is 'cos I just don't know! I'm eleven, five feet one inch and still growing!

Judith Wooller—
Buckingham, Bucks
Donny's still growing too! The last height we had for him was five feet eight!

I would love to know how many solo songs David Cassidy has ever recorded.

Brigitte Harper—
Hove, Sussex
David has recorded three singles: *Could It Be Forever/Cherish*, *How Can I Be Sure* and *Rock Me Baby*. In case you're interested too David's also made two albums—*Cherish and Rock Me Baby*. With the Part-

ridge Family he's made six singles and six albums! Hope that answers your query!

My friend and I are having a terrible argument over what gorgeous Marty Kristian read at university. I say it was architecture but my friend says he read engineering. Please tell us which is right.

Val Thomas—
Fleetwood, Lancs
You're right! Marty studied architecture!

Please tell me the name of Marc Bolan's school. I'd give anything to know as my friend reckons she's now at the school he used to go to.

Lyn Hardcastle—
London
Well Marc was educated in London at three schools. He first went to Northwold Road Primary School very near his home and then on to the William Wordsworth Secondary School. He was in fact expelled from Hill-

croft School, Wimbledon. The reason? He never went to classes on the grounds

that the teachers couldn't answer the questions he asked them! Hope your friend is at one of those three!

I would love to know which song Michael Jackson likes best—'cos I think he's the greatest!

Sally Powell—
Melton, Leicester

Well, Michael likes lots of songs but a little bird has told us one of his favourites is 'Reach Out And Touch Me' and we agree it's really something.

I think Focus are a great group. I love Hocus Pocus and Sylvia. Please can you tell me the names of the boys in the band.

Carole Dwyer—
Bournemouth, Hants
Yes those two songs were pretty cool. Now to answer your question! The boys are: Thijs Van Leer on organ and flute, Jan Akkerman on guitar, Burt Reiter on bass and Pierre Der Linden on drums. For anyone who's wondering why the names are so un-English—the boys are all Dutch!

There's something I'd really like to find out. I would love to know what kind of car Dave Hill of Slade drives. Has anyone at Music Star any idea?

Stella Felding—
Glasgow
Well, here's the latest—the last we heard Dave was driving around in a flash, super Jensen with a registration of YOB 1! No kidding!
