Come backstage with
us, backstage behind
the David Cassidy
everyone sees. Because
behind Keith Partridge
and the superstar David
Cassidy, is a very nice
boy . . .
He's not the hard,
uncaring man people
say he is . . . but just
like the boy next door!

The camera doesn't always
catch me when I am
smiling, see — I think
I was trying to
blow a kiss
here!

Learning my lines for the PF.
I get homework to do as
well. And sometimes
those lines just
won't sink in . . .

I like relaxing and playing
pool after a hard day.
There's something
about the game
that really
soothes me

Here's another one of me
when I'm not smiling —
just sticking
out my
tongue!

**Any guesses
which one's
me?**
