his acting keeps on improving on the Partridge Family. I'll always remain a David fan and he still brings tears to my eyes whenever I see him. If it wasn't for David, my world would crumble.

MORE ON THE TWINS!

I just can't get Andy & David Williams out of my mind! I go double crazy every time I see them. But I'm not seeing enough of them even though there's TWO of 'em! I'm counting on you to put lots and lots of the Williams twins in your fantastic magazine—please?

GREAT IDEA!

I just got the greatest idea and I want to share it with all of you. Wouldn't it be fantastic if the Osmonds had a family TV show! It would be so wonderful to tune in each

week and see a different episode of the family life of the Osmonds! Something like the Brady Bunch or My Three Sons. I hope my idea blows over their way cause I think it's super!

SOME ADVICE

In the Nov. issue of TBS, Lynne Mattingly and Monica South said that they no longer adored David Cassidy because of the S.F. newspaper. Well my advice to the both of them is to grow up! Everybody's not as perfect as you two think you are and it's your fault for putting him on a pedestal. Everybody makes mistakes. Even David Cassidy.

CRAZY ABOUT DONNY

I've been a fan of Donny's for ages and whenever I see him I still go crazy! He's the cutest guy in all the world and what a groovy world he made it.

WHAT A DOLL!

Tony DeFranco is what you'd call a real DOLL! In my opinion, he's another Donny Osmond and I'm sure as time goes on that he will get bigger and bigger in popularity. Tony—I LOVE YOU!

NEVER CAN WAIT

My friends and I think that TIGER BEAT is the best magazine that's ever been published. It has great pictures of David, Donny, and all of my favorite stars, and I always look forward to the up-coming issues to see who you'll write about next! I know that each month brings lots of exciting information!

Dear Ann,

I wanted to say thanks to the Laufer Co. for putting out such great magazines. I had been a faithful reader of a certain New York publication for years, but when I discovered TIGER BEAT and FaVE, I became your faithful reader since! After comparing your magazines with the other, I've found that yours are truthful and really show where it's at. That other New York magazine in comparison is just "blowin' in the wind!" Anyone agree?

Happiness,
Lisa

SOONER OR LATER

I recently saw the Osmonds on the Glen Campbell Show and they were just terrific. I nearly fainted when Donny came out and sang "Hey Girl." I sure hope they get a show of their own soon!
