

a dynamic In-Concert show for NBC which I hope you got a chance to groove on!... Also on Capitol, vocalist-writer LANE CAUDELL made a guest appearance on the *Real Don Steele Show* along with the HEYWOODS.

JOHN CALVIN is taking acting lessons from pro Milton Kastelas!

LANE performed his brand new single, "Should I Care?" with his engaging charm and warm personality. The result was a flood of fan calls on the switchboard at the *Real Don Steele Show* requesting to talk to LANE. You can write to LANE at P.O. Box 2148, Hollywood, California, 90028. He really digs hearing from his fans!... Handsome TODD CRESPI (who you might remember from *Richard II* with RICHARD CHAMBERLAIN last year at the Music Center) played a leading role on the NBC Movie-of-the-Week *The Magician* with BILL BIXBY starring. TODD gave a touching portrayal of a crippled boy confined to a wheelchair. There is a chance the show will become a series which would be a big break TODD deserves! If you want to write this talented newcomer, send your letters c/o *Tiger Beat Spectacular*, 7060 Hollywood Blvd., Suite 800, Hollywood, California, 90028... Although successful, some young actors continue to study their craft. JOHN CALVIN (*The Paul Lynde Show*), EDWARD ALBERT (*Butterflies Are Free*), JAN-MICHAEL VINCENT (*The World's Greatest Athlete*) and RICHARD THOMAS (*The Waltons*) are classmates in an acting class taught by MILTON KASTELAS, who directed *Butterflies Are Free*. With the combined abilities of these four thespians, you better believe it's a farout learning ex-

perience for all involved!... Adorable GOLDIE HAWN (also of *Butterflies*) has a devoted fan. His name is WALLY BRYSON, and he's one of the delicious RASPBERRIES. WALLY has been dying to meet GOLDIE for months but has had no luck, poor guy. While WALLY is here on the Coast, GOLDIE is in Texas filming *Sugarland Express* with BEN JOHNSON. I've promised to give her a copy of the RASPBERRIES latest album when she returns to Tinsel Town. Compliments of WALLY, of course!... DAVID HOLMES is anxiously waiting to hear if his pilot, *The Boomtown Band and Cattle Company* will be sold. DAVID plays the role of young ADAM HARTWELL, the romantic lead. During the waiting period, DAVID isn't wasting any time—he's taking singing, guitar, and drum lessons as well as horseback riding during his leisure hours. If you want to see DAVID on television this fall, you can help by writing him c/o 20th Century Fox, 10201 W. Pico Blvd., Los Angeles, California... Remember BILL MUMY and BARRY ROBINS from *Bless The Beasts and the Children*? They are both in Europe involved in two out-sight film projects. BILL won a coveted role in *Papillon* with

LARRY EVOY—he's lead singer for Edward Bear, a Canadian group!

STEVE McQUEEN and DUSTIN HOFFMAN and is filming in Madrid. BARRY is portraying PUCCINI in *The Life of Puccini* on location in London. Congratulations to these two "children"!... My sources tell me that BRUCE DAVIDSON is delivering a right-on performance as LUCILLE BALL'S nephew PATRICK DENNIS in Warner Brother's upcoming *Mame*. If you remember, PATRICK was played by ANN-MARGARET'S husband, ROGER SMITH in the original Auntie

Mame with ROSILAND RUSSELL. I'm looking forward to seeing BRUCE and lovable LUCY, aren't you?... Visited SAM HYMAN (DAVID CASSIDY'S roommate) in his Laurel Canyon home and discovered that SAM is really getting into a new trip as a manager. He has discovered a heavy group called COTTONWOOD SOUTH who he feels are bound for superstardom. I listened to some far-out tapes of their sounds which range from ballads to soul to heavy rock. JACKIE DAUZAT, featured singer and writer is a youngster right out of the swamps of Louisiana. Another member of the group, ANGEL SOUTH has the reputation of being one of the world's best free-form solo guitarists. He had previously performed as a member of CHASE. SAM, who is searching for a label, told

THE RASPBERRIES have a really groovy image—lots of new clothes!

me, "When you hear COTTONWOOD SOUTH and have a chance to see them perform, I feel sure you will be as excited as I am in working with them!" What's new with his famous roommate? He told me that DAVID'S recent London tour was phenomenal. CASSIDY-mania has taken over all of London and they didn't know what to expect next from the teen-idol's adoring fans. Eventually, they were forced to live on a yacht and were flown to and from by helicopter to avoid all of DAVID'S screaming, hysterical fans. While in England, DAVID purchased an incredible new wardrobe, highly influenced by the London fashions. We'll have to wait to see these sensational threads during DAVID'S next American concert tour. DAVID is loved in Japan (like everywhere else) will be touring the Orient soon. In other words, CASSIDY-mania is international!... Be cool—until next issue! •
