**TRUTH:** That dog was named Tiger, but they don't have him any longer. They have two new dogs though—one dog is a German Shorthair and her name is Duke (yes—her!)... she's about 6 months old. The other is a little German Shepherd (about 3 months old) named Pugsley! They found "Pugs" in a garbage can when he was only a week old. Isn't that awful? It was lucky they found him—he's really fat and happy now!
