

RUMOR: Has David Cassidy really moved to his Hawaiian paradise for good? What will happen to "The Partridge Family?" Who will replace him for the fourth season?

TRUTH: David is still Keith Partridge for this 4th season! He is building a house on some land he owns in the Hawaiian Islands, but he has not made plans to move there permanently!

RUMOR: I've been seeing some fabulous pictures of the best-looking guy in the world in the last few issues of TBS. His name is Lane Caudell—then a girlfriend of mine told me that she read somewhere that he was married and had quit show biz! Can you give me the true fax on Lane?

TRUTH: True facts on Lane Caudell: Lane is a singer, 22, and he's very much single (meaning unmarried!). We agree, he's handsome—and he's also quite a Southern gentleman—(born in Asheboro, North Carolina.)

RUMOR: Is Susan Dey secretly married? Why should she want to keep her marriage a secret—doesn't she know that all her fans would be happy for her if she was happily married?

TRUTH: You answered your own question! Susan knows that many of her fans would, indeed, be happy to see her happily married and that's exactly why she wouldn't be secretly married—she'd let all of her fans know about it! Susan promises—no secret marriages—ok?

RUMOR: Is Mike Ontkean leaving the TV series "The Rookies?" I hope not—he's the only reason why I watch the show!

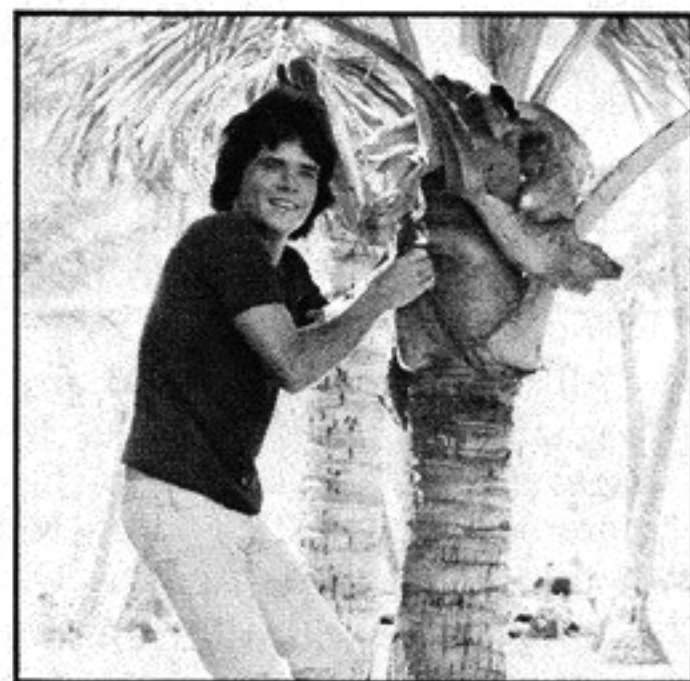

TRUTH: Relax... marvelous Mike Ontkean is still bashful Willie Gillis of the "Rookies" this season.

RUMOR: I heard that Rick Springfield is moving back to Australia. If he does, I want to go with him! Why is he moving back—doesn't he like the U.S.?

TRUTH: Rick loves the United States—especially Los Angeles! He has no plans to return to Australia. So, unpack your bags and stay in the U.S. with Rick and TBS!
