LOW-DOWN

Joey & Bobby

Gilbert & Bette

Ricky Wilde

Don Agrati

The late "Yvonne" & Alice

What was beautiful Bobby Sherman doing serenading luscious Joey Heatherton—cheating on his pretty wife Patti already? Not a chance! Joey and Bobby's duet came about when they were co-starred on ABC-TV's March special *Old Faithful*. Hope you caught all the fun 'n festivities on Bobby's recent return to TV and dug listening to his latest Metromedia Records single *She Lets Her Hair Down*. More later... David Cassidy isn't the only one who's decided to give up doing live in-person concerts. Shortly before David announced "NO more concerts for me," Marc Bolan—England's top teen idol—announced that he was quitting the concert circuit for a time while he added voices, horns and other instruments to his group. David—who will continue to give concerts abroad—has said that he considers it "all over" for him in the teenybopper circuit in America. Tain't so! Come back David, we love you!!

JERMAINE GOING STEADY?! JACKIE MARRIED?! NO, no, no!! Juicy, jivey Jermaine Jackson admitted that he has indeed been semi-steady dating teenager Hazel Gordy, daughter of Berry Gordy, Jr. (who owns Motown Enterprises—and that's a lot of enterprises!). But that does not mean that Jermaine is "locked up." In fact, he's very much available and on the prowl! (Any volunteers?) As for sweet and sexy Jackie Jackson—he also admits to a little steady dating! His semi-steady is Debraca "Debbie" Foxx.

Wasn't it fun sharing the good times on Burt Bacharach's ABC-TV special *Opus No. III* with the super-talented likes of groovy Gilbert O' Sullivan and bubbly Bette Midler? ... Take a good look at adorable young Ricky Wilde. This beautiful bound-to-be-a-winner is England's latest answer to "the Donny Osmond craze." Ricky's eleven years old and is the son of famous British pop singer Marty Wilde. His second single *April Love* on UK Records is now available here in the States. Be sure to give it a listen. You can bet your baby bracelet you'll be seeing lots more of adorable Ricky! ... Also take a good look at this page's picture of handsome Don Agrati and see if you can figure out who he is—or was, that is. You knew him long and well as Don "Robbie" Grady of the long-running TV show *My Three Sons*. Now Don is all grown up and focusing his attention on branching out into a recording career. His first album—composed and sung and produced by himself—is called *Two Bit Afternoon* and it's on Elektra Records. Itza don't miss!

Tragedy struck twice in one week at the New York penthouse of Alice Cooper. First, "Sammy," Alice's charming and talented myna bird, died of a respiratory illness; and then (just days later) "Yvonne," his beloved and benign boa constrictor, passed away in her sleep at the age of 13, apparently of natural causes. This leaves only a dog named "Asta," a Lhasa Apso, in the Alice menagerie.

SING ALONG WITH THE J5

HEY, HEY, HEY! Gather ye rosebuds while ye may—but don'tcha dare miss the J5 super-soulin' sizzlin' new single *Hallelujah Day*! Itza sock-it-to-ya', rocket-to-the-topper you're gonna be clappin', stompin' 'n singin' to for a long time to come! With mighty Mike sharing sensuous lead with sweet Jermaine—how can it miss? So zip down to your corner hit-spinner store and ask for your copy of Motown's *Hallelujah Day* by the Jackson boys—and do as Jermaine says, "Everybody get together—put your hands like this! And Sing Along with the Jackson 5—yeah!"

HALLELUJAH DAY

(As recorded by the Jackson 5 on Motown Records.)

Hallelujah day, sing hallelujah,
Love is on its way—it's comin' to ya!
Children gather 'round, now,
Clap your hands and sing!
That old sun is shining down—
Soon the bells are gonna ring!
Yes, they will now!
Can't you see that ray of hope?
Somebody finally saw the light,
They're gonna send my brothers home.
It's gonna be all right! Yeah!

(CHORUS)
Hallelujah day, sing hallelujah,
Love is on its way—it's comin' to ya!
Hallelujah day, sing hallelujah—
Hallelujah day, sing hallelujah!
People come together, let the good times roll,
We can make this last forever—

If you feel it in your soul!
Somebody found the key,
Somebody opened up the door,
Now there'll be dancing in the streets—
This is the day we've been waiting for!

(REPEAT CHORUS)

(JERMAINE SPEAKS)
Everybody get together—put your hands like this!
Sing Along with the Jackson 5, yeah!
Sing it, Love!
Everybody sing—love!

(REPEAT CHORUS, ADLIB AND FADE OUT)
