### MEREDITH BAXTER: SELL YOUR SKIS!

Hollywood: Meredith Baxter of the 'Bridget Loves Bernie' series has been ordered to sell her skis or at least give them away for the duration of the series. It seems that as a result of a recent ski tumble Meredith is now wearing a leg cast. So it's off the slopes for the time being.

MEREDITH

OLIVIA & DINO

### IT'S A BOY!!

Beverly Hills: Congratulations to Mr. and Mrs. Dino Martin (alias Dino Martin of Dino, Desi & Billy fame and alias Juliet—otherwise known as Olivia Hussey). Why the congratulations? Well it's because they've been blessed with a beautiful son. His name? Alexander Martin. Nice, huh? He was born Monday, Feb. 12. And, all of us here at Tiger Beat send their best wishes.

### DAVID BOWIE COLLAPSES!!

New York: Opening night at Radio City Music Hall David Bowie ended his concert by collapsing flat on his back. But this stunt was not part of the act. David collapsed out of sheer exhaustion. It happened right after a group of fans charged onto the stage and

one of them knocked the wind out of him. After 2 hours of playing he just couldn't take anymore. Rest up, David, and maybe this will be a lesson to those fans who get just a little bit too caught up in the excitement of a concert!

MICHAEL

### MICHAEL GRAY A FATHER???

Hollywood: There has been a rumor around that Michael Gray has just become a father. Well it's definitely not true! It seems that somebody's wires got crossed. There is a new baby involved but Michael isn't the father, he's the uncle. You see it was his sister and her husband who had the baby. So congratulations Michael on being an uncle, not a father!!

### BRIAN KEITH: ARE 'THE LITTLE PEOPLE' REALLY HIS??

Hawaii: There's a rumor going around accusing Brian Keith of using his own kids in all the starring roles on NBC-TV's "The Little People." The truth of the matter is that while some of Brian's children do appear in the series, they appear only as extras, never in any starring roles. For example, scenes like the doctor's waiting room and things like that. So to whoever started the rumor (and

you know who you are) we award the 'Rotten Apple' prize of the year!!

OSMONDS

### OSMONDS MOVE TO ENGLAND????!!!

Los Angeles: Due to a recent release by a national wire service, which in turn was picked up by numerous newspapers and television newscasters around the nation, Tiger Beat offices have been bombarded with calls. Everyone was asking the same question: Is it true that the Osmonds are moving to England?! Well, after about the 10th call in a matter of minutes we realized that it was something that definitely had to be checked out! So we got in touch with Mr. Osmond himself and were very glad to hear that it was not true! Mr. Osmond had been misquoted — what he said was "England would be a nice place to live!" So whomever and wherever you heard this rumor from, don't worry 'cause it's not true. Our beautiful Os brothers will still be making their home in the grand old US of A.

### MARK SPITZ: WHY HE REFUSED TO BE AN OSCAR PRESENTER!

Hollywood: You'd think a person would be honored to be asked to
