

LOOK-IN DAVID CASSIDY COMPETITION

100 DAVID CASSIDY POSTERS TO BE WON

The posters, on good quality paper, are in full colour and measure 27 inches deep by 19 inches wide. They'll certainly look great on your wall! So why not try your luck?

All you have to do to win a pair of these magnificent posters is to rearrange the jumbled shapes illustrated on the left so that they make a complete picture.

Paste the reassembled pieces on a sheet of paper and send it, with the completed entry coupon to the address shown.

Senders of the first 50 correct and neatest entries selected from the postbag after the closing date will each receive two of the David Cassidy posters.

The Editor's decision is final and no correspondence will be entered into.

Send your rearranged picture to :
