

David's statement, and commented, "I never really thought about that, but that's very true. It's really beautiful right after a rainfall, with everything looking so crisp! Even the air smells beautiful!"

All the other Partridges agreed with David, and said that they couldn't wait to see everything turn green again, after the rain!

### PARTRIDGE MAILBOX

Dear Cecelia,

I saw Danny in person last summer, and he sure looked like he has a lot more freckles than he does on "The Partridge Family." My girlfriend said that it's because they put make-up on him to cover his freckles on the show. Well, I read somewhere that Danny doesn't wear any make-up on the show, so what's the answer?

Peace,  
Matilda Mynear

Dear Matilda,

Danny does not wear any make-up on the show, so I guess the only explanation is that you aren't looking close enough to see all the freckles on the show!!!

Dear Cecelia,

I sent David a candle, and he sent me a thank-you with an autographed picture! I just wanted to let everyone know, so they'll keep writing to their faves.

Love to David,  
Mary Jane Campell

Dear Mary Jane,

Thank you for the letter. I hope David's fans read it, and take your advice!
