Dear FaVE,

I am writing to tell you that I think your mag is fantastic. I live in England and my girlfriend who lives in the States sends it to me. I think your color pictures are great.

THE GREATEST GROUP

Do you know who the greatest group is? I do! The one and only Osmonds! If you don't believe me you'd better get a pair of glasses and a hearing aid.

The Osmonds Fan,
Joni Gallo

THANK YOU

This letter is directed to Cathy in the November FaVE issue. She said all Carpenter fans write! Well, I was glad when Cathy said that, because I love, love the Carpenters more than any group in the world. And I was shy about writing, but all other Carpenter fans please write! Letters are the way to do it!

Thanks again Cathy,
Cindy Beggs

GOOD-BETTER-BEST!

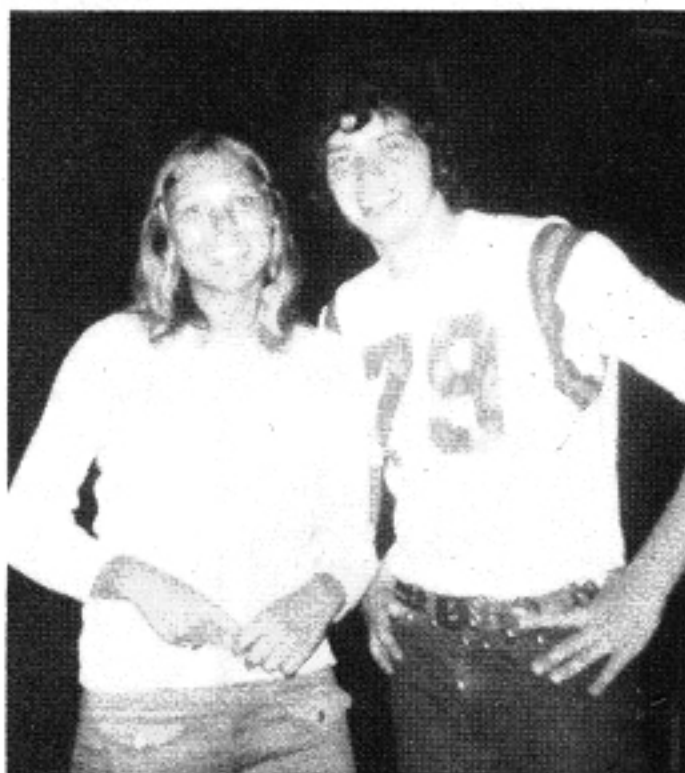

I went to the J-5 concert in Nashville to see how well they could perform. And you know what? They were the greatest! Don't get me wrong but there are other good groups, but not as great as the J-5. Whoever thinks that they're not are fools!

Love the J-5
Horn Lake, Miss.

I LOVE JAY OSMOND

There's no one in the world like Jay. I want to see him so much someday. He's cute, adorable, and kind. And guys like him are really hard to find. He always has something to say. And laughs in a fantastic way. But I'll tell you this about Jay, it's the fun, laughs and love that made him this way!

Jay's Fan,
Karen Ricker

DREAMS CAN COME TRUE

I'm writing to let everyone know that their dreams can come true! It was in Milwaukee, Wis. where I was lucky enough to meet and talk to the Osmonds in person. I also got to watch them rehearse the afternoon of their concert, and I can personally say that those fantastic guys give everything they've got both in rehearsal and at their concerts. If you can believe it they're even nicer in person than all the magazines say. I'm enclosing a picture of me and Jay taken at rehearsal.

Long Live The Osmonds,
Cheryl Workman

COULD HAVE CRIED

I saw super gorgeous Rick Springfield on American Bandstand and my heart was going a mile a minute. He's so beautiful I could cry. When he first came out on stage I let out a scream that the neighbors came running. I explained what happened then we all sat down to watch Rick on American Bandstand. He was terrific. I love him. I love him.

BEST SHOW

I want to write to tell you how much I love the show "The Little People"—because Michael Gray is on it! He's a beautiful person and he plays his part great!

Love,
A Devoted Michael Fan

OUR FAVE

There are three generations of Sherman fans in our home and we know that as long as we live Bobby will be our fave. Please tell him to keep performing because we'll be watching and listening!

Sincerely,
The Hastings & Lees

HEY DONNY

Hey Donny hurry up and write a new song, so that I can be the first to get it and play it!

BEAUTIFUL KNIGHT

I think Chris Knight is really "great." You should have more pics and interviews, like the pic of him that was in your Nov. '72 issue. WOW! He was in a gray and white muscle shirt. He's my number 1 fave!

I'm a Knight Lover,

LOVING DAVID HURTS!

I have a huge poster of David Cassidy on my wall. It's so big that the lips are a little high for me to reach (to kiss of course). Every night I would run and jump so I would be able to reach the lips. Well, last night I ran so fast that when I jumped to kiss him, I hit my lip so hard I cut it. I bled and I mean bled. So here I am writing this with a piece of cotton in my mouth...but I'm happy!

Love Always, Donna Caldarelli

VERY MAD

There is one problem about the new television shows. "Sonny & Cher" comes on at 8:00-9:00 Friday night on Channel 2, "Brady Bunch" and "Partridge Family" come on at 8:00-9:00
