

"IS IT TRUE?"

SEND YOUR QUESTIONS TO: DEAR CAROL, FLIP MAGAZINE, 405 PARK AVENUE, NEW YORK, N.Y. 10022

Q. I read that the Osmonds have started the Osmonds Foundation to help develop educational programs for deaf and blind children, and the headquarters is in Provo, Utah. What is its full address so I can write to it? K.—Hull, Mass.

A. The address is P.O. Box 1155, Provo, Utah 84601

Q. Can you tell me if any of the Bugaloos are still in the U.S. or have they all gone back to England? Also, what are they doing now, especially John McIndoe? V.H.—New Glorus, Wis.

A. Most of the Bugaloos have returned to England, but Big John is here in California with his new wife.

Q. I heard that while the Osmonds were on tour in a van, Donny stuck his arm out the window to wave to a girl and just then a tractor trailer went by and cut his arm off. Please tell me this is not true. P.W.—Greensboro, Md.

A. It's not true. I saw Donny recently and he's still got all his limbs. No such accident has occurred.

Q. Ever since we heard about Sam Hyman we believed he shared a house with David. Recently we read that he has his own house in back of David's. Which is true? G & C—Edmonds, Wash.

A. Sam used to share a house with David but when they moved to the house they're in now, Sam got his own house. It's a guest house on the property, so he and David are still very close to each other.

Q. Is it true that David Cassidy and Susan Dey hate each other? N.N.—Pleasanton, Calif.

A. No, it's not true. David and Susan are very close friends.

Q. I couldn't believe it when I heard that Donny was bitten on the arm by a fan so badly that he had to have four stitches. When are these girls going to learn if they're not careful they won't have Donny at all?! M.G.—Torrance, Calif.

A. You shouldn't have believed it because it's not true. No such incident has happened to Donny.

Q. Is it true that David Cassidy once dated Judy Strangis of "Room 222"? L.T.—Alameda, Calif.

A. Yes, David and Judy dated a few times, but they are just friends, not steadies or anything like that.

Q. Can you tell me where I can write to a swell guy named Donny Osmond? J.C.—Lee's Summit, Mo.

A. You can write to Donny and all of his family at P.O. Box 8368, Salt Lake City, Utah 84108.

Q. Has David Cassidy ever met Butch Patrick or Mike Gray? Does Butch or Mike smoke? T.H.—Baltimore, Md.

A. David has met Mike but not Butch and none of them smokes anymore.

Q. I saw a movie called "Movin' On" with a man named Geoffrey Deuel. I would like to know if he is the brother of Pete Duel. D.L.—Streamwood, Ill.

A. Yes, Geoff is the brother of the late Pete Duel.

Q. Can you tell me what happened to Ann-Margret in Lake Tahoe just before a performance? S.L.—Long Island, N.Y.

A. I think what you are referring to is her unfortunate accident. She fell from a rather high prop and was seriously injured. She broke her arm, injured one knee and injured one side of her face. After several weeks in the hospital and plastic surgery for her face, she is now home recovering. The next appearance she has planned is an upcoming TV special.
