

can do his own thing and relax, which they had better hurry and do because a new project is looming on the horizon. At last, finally, etc., the Osmonds are going to make a movie! They're looking for just the right script now, and yes, by all means, it'll be a musical!

For those of you who dig keeping up on the latest star fashions, the Osmonds had nifty new outfits made for Las Vegas. White jumpsuits with color coordinated silk scarves, and of course, boots.

If you're a telly watcher, you're probably used to seeing familiar faces in guest star roles and never quite catching the names no matter how hard you try to read the crawler (or is it trailer?) (details, details). Both **SEAN KELLY** and **JEWEL BLANCH** are on television

every time they turn around and we thought you might like a closer look! Sean has been on TV since he was nine and is now sixteen. He was also in "The Cowboys" on the big screen. A soph at Notre Dame High near Hollywood, he loves rock, sings folk with a group, digs horseback riding and swimming and girls who have long hair and wear groovy perfume. Jewel is fourteen, from Australia and was in three movies of the week in one month, including "Baffled"

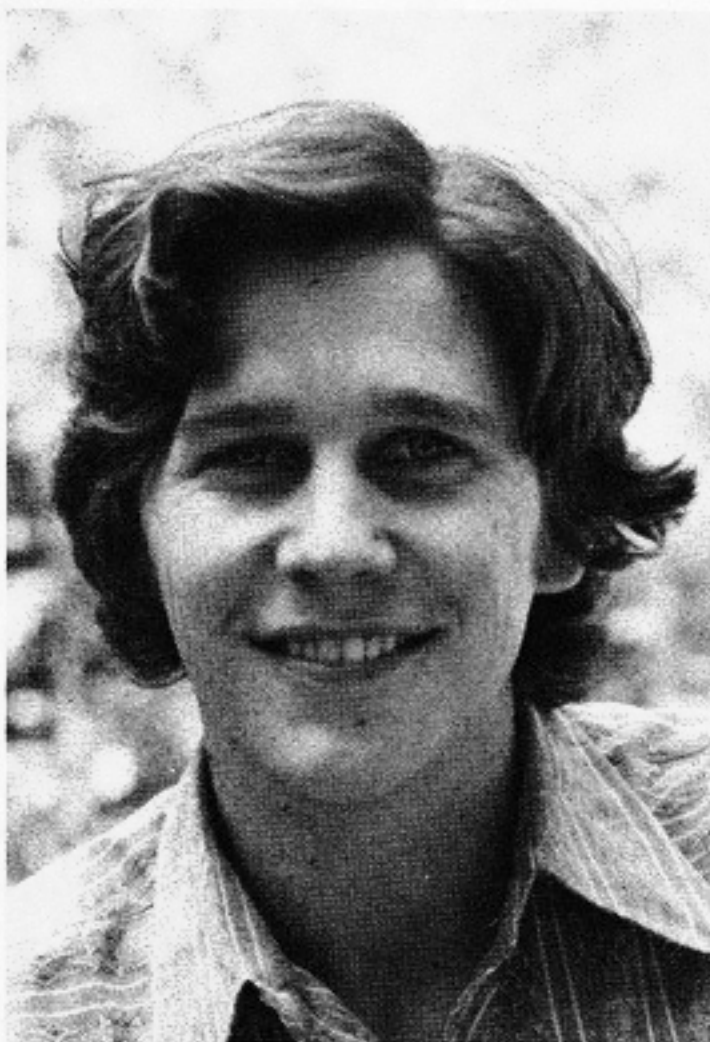

with **LEONARD NIMOY**. A singer and songwriter, Jewel's first record will be released in November.

GROUP SCOOP: Poor **JOHN MARK** of **MARK/ALMOND**—after an encounter with clothes-ripping groupies—went to Hawaii with **JOE COCKER**, fell out of a tree and will probably lose the ring-finger of his left hand... **MITCH VOGEL**, of "Bonanza" fame plus too many others to mention, is playing dates with his group, **THE SUNDOWNERS**, getting in shape to record the group's first album... **THE JACKSON FIVE** are off on an 8 city concert tour of Europe, beginning in London with a Royal Command Performance... **MICHAEL** is getting so much taller, **RANDY**'s getting cuter (what a smile!) and the rest of the boys are as gorgeous as ever... UK star **DAVID BOWIE**'s tour-of-America entourage is traveling by bus—he refuses to fly!... **NEIL YOUNG**'s finished his bio-film "Journey Through The Past"... The soundtrack includes **CROSBY, STILLS & NASH** goodies plus some unreleased **BUFFALO SPRINGFIELD**... **THE RASPBERRIES** are touring the U.S. with **THE HOLLIES** and the turn outs have been fabulous... **MELANIE** and her back-up group are on a concert tour of England... Ditto for **THREE DOG NIGHT**... 29-year-old **MICK JAGGER** has reportedly announced he'll retire from the personal appearance trail when he hits 33... **THE MOODY BLUES** U.S. tour starts in Virginia and winds up at that famous Long Beach (Cal.) Arena... **RAY MANZAREK** of the **DOORS** has bought a 23-acre ranch in Hawaii and now his own volcano. **SHORT TAKES:** **ROGER DAVIS** who stars as

Mitch Vogel will cut a record soon.

Smith in "Alias Smith & Jones" is going to do the title role in a movie called "The Jones Caper" (weird, him?)... **JUDY COLLINS**, singer extraordinaire, won't warble, just act in an upcoming seg of "Ghost Story"... **DARBY HINTON** (the little kiddle on "Daniel Boone" way back

Star Tim Matheson digs riding his horse.

when) is now fourteen and just finished a movie called "Jamaica Reef"... Darby loves surfing, and is an amateur magician who'll perform at the drop of a hat (or a rabbit)... **NEIL DIAMOND** donated his Broadway opening night gate (\$11,000) to the Bobby Kennedy Memorial and the Bedford Stuyvesant Restoration Corp... **MICKY DOLENZ** is on the road with his new group, Starship... **MARK SPITZ** will soon have his own Saturday morning cartoon show which will be about, natch, a handsome young swimming champ... **CAROLE KING**'s "Tapestry" album has been named the number one selling LP in history with almost six million sold this far... **RYAN O'NEAL** was stopped by a traffic cop who didn't give him a ticket but asked about his love life (honest!)... Would you believe that **CHAD EVERETT** is being nibbled by offers of his own nightclub show in Las Vegas?... Would you also believe that actress **YVETTE MIMIEUX** really has a pet tiger?... **SLY STONE** just signed a new recording contract that guarantees one million buckeroos for every album he delivers... **TIM MATHESON** grew up in Hollywood, and remains quietly unimpressed by his good luck as an actor—he shuns the Hollywood high life and prefers riding his horse.
