

PARTRIDGE

Both these songs come off the Partridge Family Notebook album — they are our favorites. Hope you like them as much as we do.

STORY BOOK LOVE

Partridge Family

Story book love and that's all and that's all
Fantasy world where we love one another
Story book love and that's all and that's all
Boy and a girl who hardly know each other.

I feel you lookin' at me
And in your eyes it's plain to see
The day soon we both will be much more than friends
Until then it's a story book love etc. . .

Chorus

I already know
How much I'm gonna love you so

Feel it inside me even though it hasn't happened yet
Until then all we get is a story book love etc. . .

Chorus

Imagination starts racin' when I think of you
It's a fairy tale right now
You could make it all come true.
A story book love and that's all and that's all
Fantasy world where we love one another
Story book love and that's all and that's all
Boy and a girl who hardly know each other.
