

SHOCK!

John Edwards and his team are nearly as exhausted as David himself. But they're used to dangerous situations and they've got one more trick up their sleeves. And four of David's fans are the victims! They think they're just being questioned about David...but there's a shock in store for them. Well...what would you have done?

Taylor: If you had the chance to meet David in the flesh, what would you do?

Jenny: What would I do... faint. I'd faint, I think! No, I'd get all new clothes and stuff...

Linda: Oh... I don't know what I'd do...

Mary: Chat away...

Babs: I don't think I'd be able to say anything... I'd be too nervous. You just don't expect to meet him personally.

At that moment, the door bursts open, and...

CASSIDY: Hi there!

And, guess what? The girls... scream!

Linda: I don't believe it!

Babs: Is it really you?

CASSIDY: It's really me, yes.

Taylor: Why don't you touch him to make sure he's real?

CASSIDY: I'm here!

Taylor: Isn't he like you thought he'd be?

CASSIDY (laughing) No!

Mary: How many girlfriends have you had?

CASSIDY: Oh, not many.

Jenny: I thought you would have a lot.

CASSIDY: Well there's not much time... what with sleeping and singing... and getting in and out of buildings! Anyway... I've got to leave you now. It was really nice meeting you all.
Linda: Thank you!

CASSIDY: Maybe I'll see you all again sometime.

Jenny: Hope so!

CASSIDY: OK, I'm going to head out now. Bye!

Girls: Bye, Bye!

CASSIDY: See you. Take care of yourselves.

GLRLS: Bye!
