Danny howled for a few minutes, but nothing is broken!

When Partridge Fan Club News first came out, you said that there was a party every Friday night. Do they still have those parties? Also, I want to know if all the Partridges are still friends.

Marnie

Dear Marnie,

Yes, the Partridges still have their parties every Friday night, it's just that so many exciting things happen on the set, there isn't time to write about all of them.

Of course all the Partridges are still friends!
