## THE TRUTH AND NOTHING BUT THE TRUTH

I'm writing this letter to you to tell you that I love reading FaVE every month, because you always tell the truth about the stars who I care about. So keep the Osmonds and David Cassidy in your magazine and you will have me for a reader for sometime to come!

Thank You  
JoAnn Dóbies

## HELP!

Please please tell me where I can get the March issue of FaVE. It has a super special pic of Donny that I need.

Carol Platt

Just turn to page 6 and find out how to order back issues.

## PRICELESS GIFT

For Christmas, I told my mom I wanted Donny Osmond under my tree. She did the next best thing. I'd met Donny in Las Vegas and was lucky enough to get my picture taken with him. My mom got a beautiful oil

painting done from the picture. Thanks Mom—and thanks FaVE for bringing Donny to me with each issue.

## MERRILL'S TWIN!

Merrill Osmond makes my heart go flip flop. In fact one day I met a boy

named Charlie, he could be Merrill's twin! The first time I saw him the gum I was chewing fell right out of my mouth! Everytime I see Charlie (which is in band 5 times a week) it's just like seeing Merrill 5 times a week!

## RELATIVES IN CALIFORNIA

I have always been a fan of the Osmond brothers. I think that all the Osmonds look like very nice people and I would really like to meet them. I have never been in California but I would like to visit their home there. My grandmother was there two years ago and is pretty lucky. I also have an aunt who lives in California. All my friends in school are fans of the Osmond Brothers.

We hate to say this to our favorite mag., but there's been a super cop-out on your part. Where's that fantastic Rick Springfield?! We think you lost over a thousand Rick fans over your mistake. Including us! Open your eyes. Rick is fantastic!!!!

## SUPER PRESENT

For Christmas this year my parents bought me a tape of the Osmond's "Live In Concert". I really thought it was fantastic. I just wanted to tell you because I thought it was the best present I ever had. Thank you so much for brightening up my Christmas.

Sincerely  
Susan

Dear Liz,

Here in the Phillipines the "Part-ridge Family" is tops together along with "Alias Smith & Jones," "Love American Style," and other Hollywood tube stories. Keep on!

## BRAVO BROLIN!

Everyone's always talking about how good James Brolin is in the movie "Skyjacked," but what about the movie "Short Walk To Daylight"? That was on the movie of the week awhile ago. "Skyjacked" was good (I saw it twice) but this movie was good too!

## OUCH!

I love Michael Gray so much that I have stuck my hands two times with a pencil in school just daydreaming about him!
