

When advertising it on television they say Donny is solid gold, meaning his song. But I think that Donny is solid gold in more ways than one. Don't you agree?

STOP IT!

Will you stop putting Donny Osmond on the cover of your magazine. I'm sick and tired of seeing him. Please stop it.

QUIET!

"Right On" quiet listener!!! I agree 1,000,000%. I get so sick of going to concerts of any kind for that same reason—you can't even hear the performer! I am especially sick of American girls who push and shove to see them. The only thing it proves is that your all to immature and I wouldn't want to see a crowd of girls like that either. Get wise and meet your faves.

Peace

TAKE A CAMERA

You know how everybody is writing in saying if they can borrow some negatives from some Osmond concert. Well, next Osmond concert take a camera with lots of film.

SMILE BIG FOR DAVID

I think that the best thing to ever happen to a person is to find out about David Cassidy. And anybody who is not just crazy about him should have his head examined! I admire David! I'm crazy over David, and I dream about David. I love David Cassidy!

BEAUTIFUL BOOKS!

I just finished "Loving You Stories, Volume 1" and was it super. I was wondering if you were planning on having any more of this type of book?

I sure hope so because I'll be the first to buy it.

Dear Lucie,

Just turn to page 21 and you'll find an order blank. Do it today!

SING ALONG

I certainly enjoyed the Osmonds here in Baltimore on August 8. My dad took me and he like them too. I was happy to get to hear the Osmonds sing and play and I liked the people that came with them too. The Osmonds are my favorite group. Often I spend a lot of time singing along with their records.

GREAT GUYS!

In the Dec. issue of FaVE a girl said she had seen a guy named Gary who looked like Donny Osmond. Well, I know him! He sure doesn't act like Donny. And I've got a cousin who looks like Donny and his birthday is Dec. 9th too. Both Gary and my cousin are great guys!!

FOR MICHAEL GRAY

I just wanted to say you're the greatest guy in the world. And the best looking guy around too.

Love you always

P.S. I love you on "The Little People!"

Dear Fave,

OSMONDS OSMONDS OSMONDS

When I was at an Osmond concert in Shreveport I got so excited that I got sick. And for a week I couldn't think of anything else but the Osmonds.

MILLIONS OF OSMOND LOVERS

I like your magazine but please print more pics and info on the Osmonds. Lately you have not printed very much on them. Let's keep the Osmonds on top where they belong. I know that I'm only one person but I speak for millions of Osmond lovers. Thanks.

WATCH OUT

'CAUSE HERE THEY COME!

I love the Osmonds very much. They've been my fave group for three years. But now I have another favorite group called the Heywoods. All I can say is watch out cause here come The Heywoods!

Dear FaVE,

I decided to write this letter because I felt something needs changing and now I know what. Why punish yourself (FaVE readers) by mobbing Donny and the Osmonds at concerts. It has come to the point that they can't "risk it" anymore. And it's all because of us. So when you go to a concert let Donny see how much you love him... act human!

DAVID CASSIDY RIGHT ON!

I've been a David Cassidy fan for only 8 months and it seems I've been his fan forever. You see I'm Peruvian and one doesn't get to much information about him but, we certainly have more fans then you ever saw. Since I was here I've been reading FaVE and I've found he's a great guy as a friend and groovy actor and singer. So please say that David is no fake and adorable 'cos it's true.

Fantastic David!

DEEPLY HURT

Yesterday my grandmother came in my room and showed me something in the newspaper. I think this is the answer to the rumor "Is Bobby Sherman married?" Yes he is married, he got married on Sept. 26, 1971. Mrs. Sherman had a baby boy Dec. 13th. His name is Christopher Noel Sherman. Just think, Bobby always said that when he was going to get married his fans would be the first to know. Did he keep his promise? No, and I am surprised and hurt to think maybe he was just pulling us along. He probably thought that we were dumb little kids and put something over on us. He did but he should have known that it couldn't remain a secret forever. I hope that he will be happy and knows that he hurt us very deeply.

HA HA HA

Our local radio station CKOC recently had a contest to see who really was more popular today. The contestants were Donny and the Osmonds vs. Elvis "the king" Presley. And after 9 rounds I am most happy to say Elvis won by a score of 6-3. What really surprised me was that I heard that the Osmonds actually asked for the contest thinking that they would win. Who do they think they are anyway?
