Hi!

Now that April's showers have brought a whole month full of flowers to us, we've brought you another issue of Superstar! And it's another month full of good news for everyone. Jackie Jackson and Marty Kristian both celebrate their birthdays this month. Jackie will be 22 on the 4th of the month, while Mighty Marty will be 26 on the 27th. Our best wishes to both of them, along with hopes for many more returns!

If anyone ever accuses us of being poor judges of talent, this could be the time to point out how accurate we've been about choosing our Superstars. In the last month, we've seen the smash sounds of Slade, T. Rex, The New Seekers, Donny *and* the Osmond Brothers, David Cassidy *and* the Partridge Family, The Jackson 5, and Andy & David Williams reach the charts, either as singles or LPs.

Of course, we're not simply blowing our own horn, we're blowing yours too! After all, we've said time and time again on this page that we want to hear from you, what you think is important.

This month you can read about Ben Murphy's forthcoming trip to Britain, Andy & David Williams and their very special pets, Slade's backstage chat at their last Wembley gig, and the Jackson 5's and their very murky crystal ball. And of course, our regular fan club pages and features such as The David Cassidy Story, The Osmond Story, and all your other monthly features.
