Lee is now finally admitting that they're married and Farrah is awaiting the birth of their first child in their honeymoon cottage in Lake Mead.

Wedding bells *haven't* rung for **BARBARA HERSHEY SEAGULL** and **DAVID** ("Kung Fu") **CARRADINE**, who prefer their *au naturel* relationship and will name their child "Free" when it's born. Ditto for handsome actor **JEFF BRIDGES**, who's been inseparable from **CANDY CLARK** ever since she played his conniving girlfriend in "Fat City." However, they insisted there'll be no wedding rings exchanged although they married in their film together.

The latest James Bond flick, "Live And Let Die," will star **ROGER MOORE** as Agent 007. But talk is that the *next* Bond film will star **BURT REYNOLDS**. If that's true, wonder how **DINAH SHORE** will feel about all those lovelies that co-star with the irresistible Bond?

SALLY STRUTHERS went on vacation from "All In The Family" to make a movie with **ALI MacGRAW** and **STEVE McQUEEN** titled "The Get-away."
