SEXY SCARS

It's been said that a scar does wonders for a man's sex appeal! Just the idea that he's braved *terrible* pain seems to make a man so much more appealing to a woman—and tho you might not know it, some of your very favorite stars sport some pretty heavy scars of their own! Can you tell which star owns which scar? 16 thinks ya' can—and to prove it, we've closed in the camera eye on some very visible star-scars and left a space 'neath each pic for you to write just whose scar you think you see in the pix below. 'Course we've added just a few tasty tip-offs to help you along—so, get set, get ready—go! When you finish—and not a minute sooner—flip to page 66 and see how well you did!

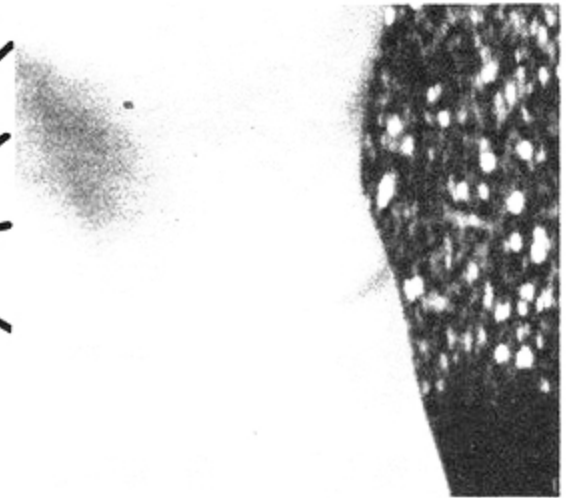

4. This birthmark-type scar belongs on the bod of a sexy young lady—along with her four brothers and younger sis, they make up a swing-in' teen soul group whose latest Pride single is *Stay Away From Me*.
