

# SPECIAL CHILDREN IN My Life!

Hi, I was lucky enough to be appointed the National Youth Chairman for the Special Olympics again this year, and I wanted you to meet the kids who made the Olympics so special. They're all wonderful, loving, trusting, and giving—and spending time with them was a privilege and honor I will always treasure. Come join us!

"ROGER MEYERS had a lot to do with the Olympics. We used to go to school together during junior high!"

"THE OPENING ceremonies were very formal—including a complete honor guard! I got to give a speech!"

"SOME of the Disney characters were on hand to help out the stars, like Jackie Cooper, sitting behind me!"

"KAREN JO SPRINGER won the slogan contest with: 'Love, Laughter & Joy for Every Special Girl & Boy.'"

"I GOT A chance to talk to many contestants. They all wanted to win so badly and they tried their hardest!"

"I SIGNED autographs and just had a great time! I hope I'll have a part in the Olympics next year!"
