Dear FaVE,

Please tell me what kind of clothes David Cassidy likes wearing most around his house? I imagine with all of the money he's earned, he has an extensive wardrobe!

Berri Lawrence
 Lincoln, Neb.

Dear Berri,

Although David is a smart dresser and has a nice selection of clothes, you may be surprised to hear that he's most comfortable in jeans and a shirt. In fact, David claims that when he spends time at home, he practically "lives" in blue jeans!

Dear FaVE,

Here is a question that's been puzzling my sister and I for the longest time: how do you pronounce the name of your magazine? I say it's "Fave" with a short "a," but she thinks it's pronounced with a long "a"! Please tell us who is right.

Lila Alexander
 Ontario, Can.

Dear Lila,

Sorry to disagree with you, but your sister is correct. FaVE is pronounced with a long "a," and is an abbreviation for the word "favorite." After all, we can't think of a better name for a magazine about all of your favorite people!

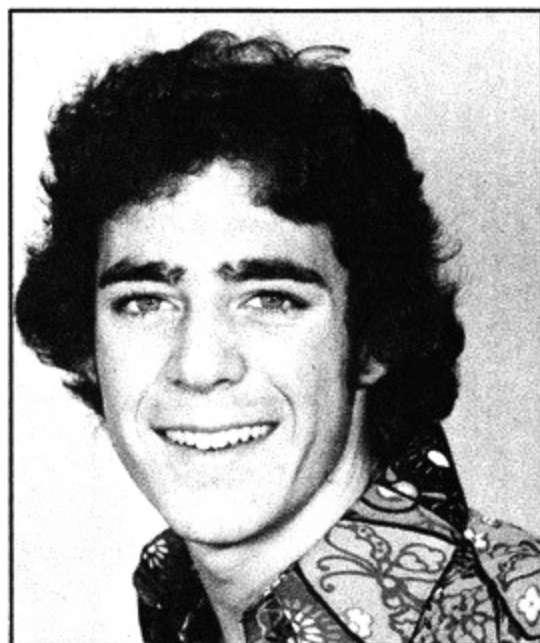

Dear FaVE,

I'm a fan of Alice Cooper's, and understand that he's a graduate of one of the high schools in Phoenix. Being that I'm a student in Phoenix myself, I'm curious as to which school he attended? Who knows—maybe I'm even using his old locker!!!

Connie Anderson
 Phoenix, Az.

Dear Connie,

We're not too sure that you may be using Alice's old locker, but we can be sure that he's an alumnus of Cortez High! In fact, Alice used to write for his high school newspaper, and had a reputation for turning out unusual stories!

Dear FaVE,

My favorite star is Barry Williams of the "Brady Bunch," and I understand he recently guested on the "Dating Game." Please tell me if he won the date, and where he got to go?

Kelly Sure
 Canton, Oh.

Dear Kelly,

Barry was the bachelor doing the questioning, and the lucky gal he chose for his date was Lorna Judd. They won a trip to the beautiful Bahamas, where they swam and soaked in sun!

Dear FaVE,

I'd like to know which of the Williams twins is the oldest—Andy or David? Normally I wouldn't have thought of asking, but I do like "older" men!

Jackie Devenger
 Key West, Fla.

Dear Jackie,

Andy is the older twin—by only 13 minutes!

Dear FaVE,

Please tell me where I can get information on the music idols from the 1960's up to the present time? I'm compiling an anthology for my music class, and need ideas, quick!

Melinda Walters
 Portland, Ore.

Dear Melinda,

You've come to the right place! FaVE now offers an exciting new paperback book called "Rock Idols, Then & Now," which features stories and secrets about the biggest rock idols from the Beatles and Rolling Stones, to Donny Osmond and the Jackson Five. If this sounds like
