

FAVE'S WISHING WELL

JULIE MONTGOMERY, from Los Angeles, has fallen in love with *Andy and David Williams'* drawing of Tammy Tarantula! She's even designed and sewn a Tammy Tarantula doll from their drawings! *Andy and David* are sending **JULIE** an autographed drawing—with their love!

ANGELA MOSCOWSKI from Appleton, Wis., is so sad that *David Cassidy's* leaving "The Partridge Family!" She wanted something to remember *David/Keith* by, and *David* thought she'd enjoy having an actual script from the show! He's sending it to you today, Angela, ok?

"IT'S JUST impossible to tell anyone how happy it would make me to get something from *Donny!*" says **MICHELLE SHINE** of Albany, Ore. Most of all, she wants a *Donny* album. *Donny's* glad to oblige, and he'll be sending his new album just for you alone, **MICHELLE!**

ONCE MILLIE BOSCH saw the record-store poster of *Tony DeFranco*, she knew she had to have it! That's just what she told *FaVE*—and it was her wishing well wish! So everyone in Bronx, N.Y., ask **MILLIE** to show you her huge—autographed!—poster of *Tony DeFranco!*
