Hi there!

What a month this has been for readers of SUPERSTAR! Since the last time we got together, Britain has been the hottest place in the pop world; first David Cassidy shows up, and then seven performing Osmonds arrived to entertain us and, as Maureen tells you in the Osmond fan club newsletter, promise us a super-quick return engagement.

Unfortunately, far too many of you wouldn't get to see David, Donny, Merril, Jay, Wayne, Alan, Jimmy and Marie in person. We know that if our SUPERSTARs had got their way, they would have liked to meet each and every one of you. But, in this issue, we've included a special Hotline from David Cassidy, talking about his recent flying visit.

And next month we'll have all the latest pix on the Osmond's long awaited tour of Britain.

This month could also bring just as big a bonus to fans of Sweet and the New Seekers: just turn to their fan club pages and read how!

That's one of SUPERSTAR's biggest advantages: every month we give you the latest news on your fave groups: tour dates, appearances on telly, record releases, even their views on their latest tour.

Every month you can be sure you get both the latest facts *and* the very best offers — whether they're T-shirts or albums, you can be sure the very latest information can be found right here in these pages.
