THE GREATEST

I think the DeFrancos are the greatest. They sound perfect. I trust that Tiger Beat will put more on them. Thanks!

RIGHT ON!

I would like to say 'right on' to Denise Hire and Marcia Jacobs (May & August issues) for their comment on the Osmonds. They are not just for one person but for everyone! And fans love your fave for what he is. Keep him or her in your heart, but please let's stop putting down other stars. They are out to please people and make a living (only doing their job). And let's admit it, they 'all' do a terrific job!

LOVE 'EM

I saw the DeFrancos on American Bandstand and they were great. Please, please, please, please print more on them. Thanks.

A DeFranco Lover

Dear Tiger Beat,

I'm sick and tired of seeing on every month's T.B. the same face on the first and last page. Who is he? Donny Osmond and he actually makes me sick. Why don't you change to someone else? You know I'm probably not the only one who is sick of seeing him. Please put more things and posters on David Cassidy.

Thank You T.B.

FILL IN WITH MICHAEL

Hi! Your magazine is great, but you don't put enough on Michael Gray. Leave out some of David Cassidy and fill with Michael. I just love that Michael. Thanx!

Dear Sharon,

All the time in TB and FaVE I read letters from girls who have Maureen McCormick's "Every Girl Can Be Popular" and would like her other books. I have the opposite problem. I have her other books, but I would like her

"Popular" one. Could you please tell me how to go about getting it? Thank you.

Thanks
 Sarah

Dear Sarah,

Be glad to help. Just turn to page 99 and fill out the coupon. Before you know it you'll be the owner of all her books. Happy reading.

GREAT SHOW!

I went to see Jesus Christ Superstar. It was great. I think Ted Neeley did a beautiful job. Please print more on him.

SUPER CHRIS

I like Chris Knight so much. I wish I could see him in person. Please put more pics of him in TB. I like the Brady Bunch too.

Dear Sharon,

I'd like to thank you and your magazine for writing so much on the Heywoods. They are all really great guys and deserve all the credit in the world. So please print even more on the Heywoods.
