DAY DREAMER DAVID CASSIDY

I remember April when the
sun is in the sky
And love was burning in your
eyes
Nothing in the world could
bother me
'Cos I was living in a world
of ecstasy
But now you're gone I'm just
a daydreamer
Walking in the rain chasin'
after rainbows
I may never find again
Life is much too beautiful
to live it all alone
Oh how much I need someone
to call my very own
Ain't that a shame

Now the summer's over and I
find myself alone
With only memories of you
I was so in love I couldn't
see that I was living
In a world of make believe
And now you're gone I'm just
a daydreamer
Walking in the rain chasin'
after rainbows
I may never find again
Life is much too beautiful
to live it all alone
Oh how much I need someone to
call my very own
Ain't that a shame
