TRIX 'N TEASERS HEADS 'N TOES

Think you know your stars from top to toe? O. K., but how well do you know them from their tops *and* toes *alone*? What you're being shown on this page are the tops and tips of some of your favorite people—with everything in between missing (except for some cryptic clues to help you guess who they are)! So test your knowledge of your fav's outer limits, write your answers in the spaces provided, and turn to page 66 to see how well you know the borders of these bodies beautiful!

4) These 16-year-old toes and flaxen locks round out one of TV's cutest freckled-faced actors, who is now guest social director on the *S.S. Starwood*.

4.

5) These twinkly toes and tousled tresses adorn the bod of one of the most popular TV and singing idols in the world. He's 23 but plays a 16-year-old on TV.

5.

6) In between the raven coif and the painted toenails lives a super-talented young songstress and comedienne who appears weekly on TV with her hubby.

6.

7) The talented tyke under these brown waves and over those tantalizin' toes recently starred in his first feature-length western movie, *Jory*.
