Dear FaVE,

Please tell me the name of the Williams twins' first record? I know it was released about a year ago, and I've been searching for it ever since!

Kathy Richards
Warwick, R.I.

Dear Kathy,

Your search should be a hundred times easier, now that we're going to tell you its name! Andy's and David's first recording was "I Won't Last A Day Without You" on the Kapp label. It was written by Roger Nichols and Paul Williams, the popular duo who has written for many top recording artists, including the Carpenters and Three Dog Night!

Dear FaVE,

I've gone absolutely "nuts" over David Holmes! I'd like to make him a vest in his favorite color, and am hoping that you can tell me what it is. Thank you!

Marsha Silver
Detroit, Mi.

Dear Marsha,

What a generous thought! We're sure that David would be pleased with anything you choose to make. He claims his favorite color is blue, and says that he likes it in any shade—from the lightest powder to the deepest navy!

Dear FaVE,

I'm having a disagreement with my friend about the "Patridge Family." We'd like to know if the pilot was filmed in 1969 or 1970? We both have conflicting answers, and both insist that we're right!

Ellyn Daniels
Chatsworth, Ca.

Dear Ellyn,

Although only one of you hit the answer on the head, neither of your choices are too far off! The "Partridge Family" pilot was filmed in December of 1969, and debuted on television in September of 1970.

Dear FaVE,

Please help me! I'll be moving to Hawaii in a few weeks, and am worried that I won't be seeing FaVE anymore. Can you tell me if it's sold out there, and how I can go about finding it?

Lesley Andrews
Spokane, Wa.

Dear Lesley,

You shouldn't have any difficulty in locating FaVE in Hawaii, as it's sold at most newsstands throughout the country. But if you're worried about missing out on a few issues, why not subscribe and be guaranteed receiving it regularly at your door? See page 4 for more information!

Dear FaVE,

My girl friend says that Donny Osmond's favorite ice cream is chocolate, but I always thought it was strawberry. Please tell us who is right.

Happily in love,
Jeannie Baron

Dear Jeannie,

If you'll pardon the pun, the "scoop" on Donny is this: he's not too much of an ice cream-fanatic, but does enjoy homemade vanilla ice cream. It's one of his favorite warm weather snacks, for quenching his summertime thirst!

Dear FaVE,

Is there any truth to the rumor that Michael Gray is steadily dating a young actress, and that a wedding is in the offing?

Angela Bradley
Anderson, Ind.

Dear Angela,

Although it goes without saying that Michael is quite popular with the ladies, his career has skyrocketed so much during this past year that he's finding it almost impossible to date! You can rest assured that Michael is not seeing anyone steadily, and that there's no Mrs. Gray in the immediate future!

Dear FaVE,

After seeing a picture of Lane Caudell in FaVE, I knew that he
