Want to tell your fave something? Send your letters and comments to: FaVE RaVES, c/o FaVE Magazine, 7060 Hollywood Blvd., #800, Hollywood, Calif. 90028.

Dear Liz,

I've read through FaVE many times, but I've noticed that there are hardly ever any stories about the Heywoods. I, for one, would like to see more on them. Thanks!

Donna

### FUTURE LOOKS

Whenever I buy a magazine like FaVE (in fact it's the only one I buy), I use it up and let my imagination run wild. I always wonder how the faves will look in the future, so I draw mustaches and beards on them. Donny, Chris Knight, and Michael Gray look pretty good in them.

Love,  
Imagination

### DONNY LIKES MY NAME

When Donny Osmond was on "The Lucy Show," I thought he was just super. I almost flipped when he said that Patricia is one of his favorite names. I never liked my name before. But I want to thank Donny for making me see that my name isn't that bad after all. Thanks again!

Patricia Pacheco

### GONE CRAZY

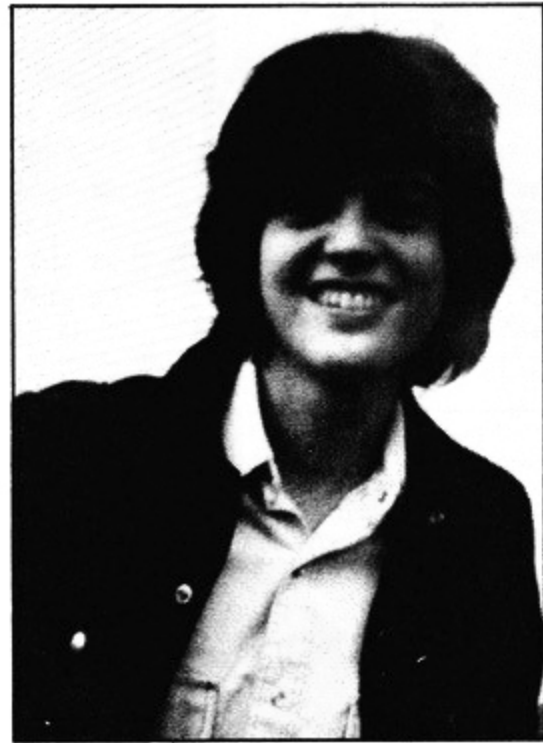

My favorite group used to be the Osmonds. But now since the Raspberries appeared they are the greatest group I have ever heard. And plus I met the Raspberries at a concert at the West Palm Beach Aud. And they were all so friendly. The Osmonds are long gone—and long live the beautiful Raspberries.

Love to all,  
Tina Longwell

### SUPER SMILE

I'm sending you my prize possession! This picture of Donny was taken in Las Vegas this March. What makes it so special was that that smile was just for me. Donny is everything you say he is—the sweetest, nicest and foxiest guy ever.

Donny Forever,  
Paula Harney

### MORE MORE!

The star of "The World's Greatest Athlete" Jan-Michael Vincent is really super!! Please print more about him in your magazine.

### A WORD TO SAY

I have only one thing to say and I hope everyone hears it. I Love Sonny! Biggest Sonny Fan

Dear FaVE,

Recently I had the privilege of seeing those fantastic Osmonds closing night at Caesar's Palace in Las Vegas. The show was so beautiful! Young and old were smiling through tears at the end. My dad who was totally anti-Osmond 2 hours before, remarked "It was the best show I ever saw." But then I could have told him that before the show. Thank you Osmonds for being so fantastic!

Love,  
Donna

### HE HAS FEELINGS!

I used to think Donny Osmond was nothing. I mean sort of like he didn't have feelings. After I read about him and Debbie Johnson I found out something, Donny also has feelings. He gets hurt just like anybody else. He becomes happy just like anybody else. Sorry, Donny, you have feelings too.

Sorry,  
Barb

### CUTE CARPENTER

I think that Richard Carpenter is the cutest guy in the music industry. Please print more on him. Thanks!

His fan forever

### CHRIS IS MINE

"The Brady Bunch" is such a good program because of that darling Chris Knight.

Yours Forever,  
Carolyn Culver

Dear FaVE,

Thanks so much for putting Richard Thomas in your magazine. He is a really neat looking guy. I'll love him forever. Keep up the good work.

Richard's the Greatest,  
Debbie

### GREATEST IN THE WORLD

I think that Bobby Sherman is the greatest, nicest, caringest, warmest and kindest person in the world. He cares about people's feelings and also would not hurt anybody for anything. He also would not like anybody who hurt or made fun of anybody. That is why I like Bobby Sherman more than anyone else.

Loyal Bobby Fan,  
Laura Sands

### A NEW STAR

I know lots of people write about their favorite stars but I'm writing about something else. I saw Olga Korbut March 24, 1973 at Madison Sq. Garden. She was terrific, and she is my favorite.
