the network didn't want another "Partridge Family" on the set so they never let them do it! It's too bad because the **BRADY** stars are very talented and they could have some really cute shows! This year there's a chance they might be able to! If you'd like to see them perform on the series, why not drop a note to them at Paramount Studios or here at Tiger Beat—we'll see they get it!

Darling **SCOTT JACOBY** is busy filming a movie of the week called "The Man Who Could Talk to Kids."

They were filming on location and the scene called for Scott to throw rocks through the windows of a house—breaking them all! The producers and the directors found a suitable house to use for the filming and the lady who lived there gladly consented to let them throw the rocks for the movie. (They promised to fix them all and clean everything up.) She stood outside watching during the filming and even though she had agreed to let Scott use her house and windows to throw rocks at, he kept apologizing to her everytime he hit a window!

It should be a great movie; so catch it this fall. Another TV movie in the works is "She Lives," to star **SEASON HUBLEY** and **DESI ARNAZ JR.** It's a sort of "Love Story" type movie.

**DAVID CASSIDY**'s been auditioning for several movies but so far hasn't heard anything on them yet. He did lose out to **EDWARD ALBERT** for the role in "Forty Carats" but he's got lots of offers so you may be seeing him on the big screen shortly.

**DAVID** and **THE PARTRIDGE FAMILY** have just released their newest album, "Crossword Puzzle" and it's a must for all Partridge people. The huge success the **PARTRIDGES** had with their bike-a-thon for cancer last year means there'll be a repeat performance. The second American Cancer Society Bike-A-Thon will be October 13 and 14 of this year!

NEXT MONTH IN  
TIGER BEAT—  
THE WINNER OF OUR  
DeFRANCO'S FLY TO  
HOLLYWOOD CONTEST!

**JAN-MICHAEL VINCENT** and his wife **BONNIE** named their brand new baby daughter **AMBER!** She was born on May 19 at 10:45 a.m. and weighed 6 lbs., 10 oz.! **JAN** took his family with him to film a TV movie called "Fair Game" in Oregon. It will be shown in November. And speaking of movies, **JAN** just finished a real, big screen picture called "Black Creek Billy."

Remember **BRIDGET HANLEY** who played Candy Pruitt on "Here Come the Brides" with **BOBBY SHERMAN**? I had lunch with **BRIDGET** yesterday and she brought me up to date on everything that's happened since "Brides." Her darling little girl, **BRONWYN** is two now. Next month in our Memory Book section of Tiger Beat

**DON (Grady) AGRATI** turned out to be not only handsome but delightful! He came up to talk to me about his years on "My Three Sons" and he looked terrific. Not only was he tanned and very relaxed, but he was excited about the music he's working on and was wearing the thickest pair of sunglasses I've ever seen! He said it was because his eyes got so bad with all the light and script reading he did over the years, he has to wear extra strong glasses! He's planning to go on tour this fall, so look for him in your town.

Another meeting still, and this time with **PETER OLIVER** the new member of the **NEW SEEKERS** group. (You met him on page 56.) He's a real angel and we had a nice long chat about music and about him! He's really

Whoops! Out of room again, so I better sign off, but let me leave you with some words that the wise old teacher said to his pupil the Young Cain on "Kung Fu": "What is Love?" asked Young Cain, and he answered, "Love is harmony even in discord," which means even when you're angry or upset or disappointed with someone, if you love them, that's all that really matters!

See you next month.

Love, Sharon
