

BOBBY SHERMAN

I'll never forget any of my fans because they're all very special and very important to me. I love every single fan.

MICHAEL GRAY

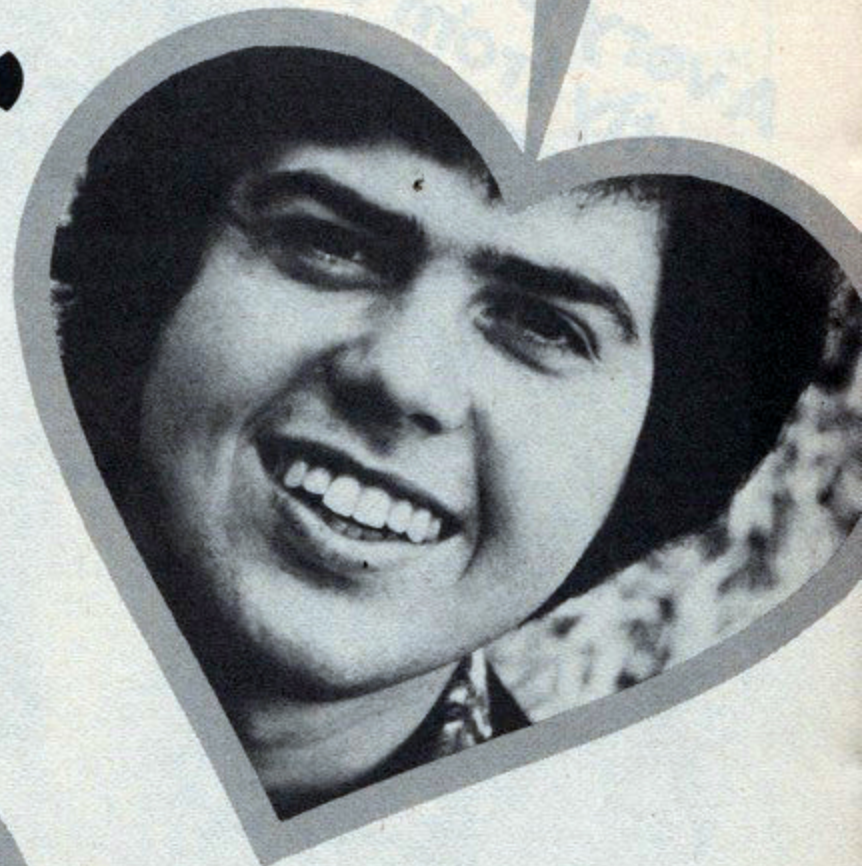

I remember one fan in particular. She was in a wheelchair and she came to the show after it started. All during the show she looked up at me with this incredible look on her face, but she left before the show was over and I never got to talk to her. I still think about her and wonder what she was thinking and why she left so early.

Never Forget!"

JAY OSMOND

I'll never forget the one who sent me an enormous birthday card once while we were in Las Vegas. It was so huge it took all of us to open it. I couldn't believe it. It's the largest card I've ever gotten and I still have it in my room in Utah!

MERRILL OSMOND

There was one girl one time during a concert that I'll never forget. Girls on all sides of her were screaming and yelling and she just sat there, staring at me, with tears running down her cheeks. She was so still and so quiet that I couldn't help but notice her. I looked for her after the show but I never found her. I never even got to talk to her but I've never forgotten her!
